YOU’VE GOT TO BE IN TO WIN! Time to get spooled up and ready for another great season of fishing fun! Starting sunrise Saturday, May 25 through 5 p.m., Monday, Sept. 2 (Labor Day), anglers from all across the great Lone Star State can once again begin the summer-long mission to try and win one of many prize packages in the 2013 CCA Texas STAR Tournament, including truck/boat packages, UV/boat packages, boat packages and scholarships. A friendly reminder to all anglers who plan to fish the Texas Gulf Coast during this time... in order to win one of a $1,000,000 in prizes being offered in Texas’, largest, richest, summer-long saltwater fishing event, an angler must be a CURRENT member of CCA, in addition to being registered as a 2013 TEXAS STAR entrant. The STAR tournament entry fee is still an awesome bargain at only $20 for ages 18 and up! Membership fee is $25 annually, plus $20 STAR Tournament for a total of $45. In order to win at STAR, an angler must be registered and be a current member of CCA. You know you’ll go so might as well do it now! Remember, everyone entered in the STAR Tournament, who will be 6 years old in 2013 and older, is eligible to win the prizes being offered (even the TAGGED REDFISH DIVISION)!!! Get everyone signed up for the 2013 STAR. Be sure and enter now to take advantage of some great early bird incentives... see details below.

YOUNG ANGLERS FISH FOR FREE! Speaking of bargains, for young anglers ages 6-17, the “New Tide” membership fee remains $10 annually and the STAR entry fee is FREE!!! Parents, we want all kids on the water! CCA “New Tide” members will continue to have the opportunity to win giant scholarships to fund their college education for just the price of a $10 CCA “New Tide” Membership. We thank our generous sponsors for making it possible for us to offer young anglers this great opportunity. Keep in mind, signing up as a “New Tide” membership DOES NOT automatically register member in STAR. “New Tide” Members MUST BE at least 6 years of age in 2013 to be eligible to fish STAR
and under age 18 to enter for FREE. It is the “New Tide” Member’s responsibility to register each year for STAR.

Don’t miss “the boat” or “the truck and boat”… register today! You can sign up NOW online at www.ccatexas.org or www.startournament.org.

TEXAS FISH & GAME “BONUS” SUBSCRIPTION!!! Texas Fish & Game will again honor this year’s STAR entrants with a ONE-YEAR (12 issues) subscription to Texas Fish & Game Magazine. Please be advised your subscription will NOT be sent automatically. If you wish to take advantage of this special bonus you must declare on your application form. If you have already signed up for the 2013 STAR, but did not declare that you would like this special offer and/or have questions regarding your past or current subscription, please call (713) 626-4222 or email star@ccatexas.org.

2013 PRIZE LINE-UP - This year’s contestants have a chance at winning over 100 prizes including trucks, UV, boats, motors, trailers and college scholarships in the following categories:

Texas Ford Dealers Redfish Division – Texas Ford Dealers continue to make this division the “Best in Texas”! They will again give each of the first five registered STAR participants who catch tagged redfish a brand new truck to get to their fishing destination in a tough, dependable and stylish ride. The first five registered anglers to weigh-in a tagged red will receive a 2013 Ford F-150 “Texas Edition” truck. Haynie Boats returns with the awesome Haynie 23 Bigfoot rigged with a Mercury 150 L Pro XS motor and Coastline Trailer completing this amazing package. The next five weighed in will receive the same boat, motor and trailer packages.

Trout Division - With winners in the upper, middle and lower coast regions, each winning angler will take home the Shoalwater 22’ Leg-end with a Mercury 150 L Pro XS motor and McClain trailer. SPECIAL NOTE: If you’re unsure a trout is large enough to qualify, consider this “easy rule-of-thumb” - if length is less than 27 inches, chances are it won’t meet the eight pound minimum weight requirement for the Trout Division. Unless you intend to mount your fish as a personal best, why not think about releasing anything that might not make the cut so she can re-seed the bays.

Offshore Division – Blue water anglers who land the heaviest kingfish, dorado and ling (cobia) will each win the awesome Explorer by Dargel 216 Blue Water Series boat prize to cruise the big waves along with a Mercury 200 XL OptiMax motor and McClain trailer.

Inshore Division – Each winner that reels in the largest flounder, gafftop and sheepshead will be handsomely rewarded with Blue Wave’s 180 V Bay boat, a Mercury 115 L OptiMax motor and McClain trailer.

In the past eighteen years, $4,635,000 in college scholarships has been awarded to fisher-kids across the state. And 2013 continues to offer plenty of reason for everyone to round up their kid(s), a rod and reel and head for the water.

Capital Farm Credit StarKid Flounder Division – This division gives entrants age 6-10 a chance to win a $50,000 college scholarship for the largest flounder caught throughout the summer.

FS Southwest StarKid Gafftop Division – This division gives entrants age 6-10 a chance to win a $50,000 college scholarship for the largest gafftop caught throughout the summer.

Houston Community Newspapers StarKid Sheepshead Division – This division gives entrants age 6-10 a chance to win a $50,000 college scholarship for the largest sheepshead caught throughout the summer.

Academy Sports & Outdoors StarTeens Trout Division - This youth scholarship division is open to all New Tide members ages 11-17 and awards a $20,000 college scholarship for each fisher-teen with the largest trout, gafftop and sheepshead statewide.

CCA Texas/STAR Platinum Print Membership Package, Series II – We’re pleased to announce the new print being offered for the 2013 CCA Texas/STAR Platinum package is School Is In Session. Renowned artist David Drinkard wanted to honor those parents who take their kids fishing by creating a print depicting the parent and child fishing scene. You never know… maybe one of those “schools” has a “college scholarship” swimming in it! This special offer includes your CCA membership (new or renewal), your 2013 CCA Texas STAR entry, plus a signed, limited-edition print created exclusively for STAR, all for $125! School Is In Session is a one-of-a-kind special print worth this price alone. If you would like to consider one, or several, of these limited-edition packages, go to: www.startournament.org for more details or to place your order with the STAR Dept., call (713) 626-4222.

STILL AVAILABLE… CCA Texas/STAR Platinum Print, Series I & II – STAR Reds & STAR Sightings are still available. If you haven’t purchased yet and would like to begin your CCA Texas STAR Platinum Collection, please contact the STAR Dept. and we can get you fixed up. To own this first-ever commemorative piece, purchase yours today before they’re all gone!

The proceeds from the sales of Platinum Packages will help us continue to fund the STAR scholarships. Thanks for supporting CCA Texas and the STAR Tournament!
More Chances to Win Prizes!

2013 Berkley Gulp Challenge “Use Gulp and Win!”
- To qualify for prize package, STAR anglers must catch a winning fish using a Berkley Gulp bait, abide by all rules of the CCA Texas STAR Tournament and be on the FINAL leaderboard after the close of the 2013 CCA Texas STAR Tournament on Sept. 2, 2013. Prize package includes a Limited Edition All Star Team Series Rod, Abu Garcia Revo S Baitcast Reel, Berkley Trilene XL fishing line, Gulp Alive Bait and Berkley tackle bag.

Runner-Up Prizes - The first through fourth runners-up in all divisions will receive various gift certificates from Academy Sports & Outdoors.

“New Tide” Member Drawing - The “New Tide” Scholarship Drawing will be offered again in 2013. “New Tide”/STAR participants at least, 6 - 17 years old in 2013, are eligible for a bonus drawing that will net one lucky youth a $20,000 college scholarship even if the participant never wet a line or enters a single fish during the entire tournament.

Member Bonus Drawing “TOTAL OUTDOORSMAN PACKAGE” - This unique drawing offers STAR entrants a chance to win a fabulous boat/UV prize package even if the participant never wet a line. One lucky contestant's name will be drawn to win an Exlorer by Dargel 210 Tunnel Vee with a Mercury 150 PRO XS motor and McClain trailer attached to a UV Country Custom PowerSports Kawasaki MULE Trans 4X4 Utility Vehicle. Check out UV Country's full line at their dealership in Alvin, Texas or go to: http://uvcountry.com.

Please don’t forget to thank our generous sponsors for their loyal support... return the favor by remembering them when making your purchasing decisions. They make this wonderful family event possible. Major sponsors for the 24th Annual CCA Texas/STAR Tournament include:

The Concert for Conservation

W ill take place on the infield of the race track. Sam Houston Race Park will offer a variety of food and beverage concessions so that music fans can fully enjoy the experience. The concert will be a general admission, standing-room only, open-air event open to all ages, rain or shine. Lawn chairs and blankets are allowed for the Concert for Conservation, and be sure to visit www.shrp.com for a complete list of items allowed at the venue.

Tickets are on sale now for the second annual Concert for Conservation scheduled for Saturday, May 18, at Sam Houston Race Park. This year, Coastal Conservation Association Texas (CCA Texas) has partnered with Sam Houston Race Park to put together a superstar lineup that will offer fans a wide variety of country music from featured artists Dwight Yoakam, Robert Earl Keen, Hayes Carll and Ray Willie Hubbard.

“We’re proud to be partnering with Sam Houston Race Park this year to put on the show and very excited about the performers who are scheduled to appear. We have something for every country music fan at this concert,” said Robby Byers, executive director of CCA Texas. “At the same time, we have so many exciting conservation projects and habitat initiatives happening within CCA Texas – it’s a great event to welcome a whole new group of prospective conservationists into the fold and introduce them to CCA.”

Tickets are available now online from CCA Texas (www.CCATexas.org) and from the Sam Houston Race Park website, (www.shrp.com). Tickets online are $25, while tickets at the door will cost $35. All tickets come with a membership in CCA Texas. VIP tickets, which offer a special section in front of the stage, parking pass, and access to private beverage stands and restrooms, are available for $150 each.

“This event is a great opportunity for us to see a lot of our old friends and introduce many others to the Coastal Conservation Association,” said Byers. “We look forward to seeing everyone out at the Sam Houston Race Park on May 18 – it’s a great venue to hang out with friends and spend an evening enjoying some good music for a great cause.”

Jack Mayfield Jr.

At the Feb. 26 CCA Board of Directors meeting, Jack Mayfield Jr. was presented the first Walter Fondren III Vision Award.

Mark Ray, CCA Chairman of the Board:
The pick to receive the first Walter Fondren III Vision Award could not have been more appropriate. Jack was, and continues to be instrumental in CCA’s legacy of success in marine conservation. Jack’s generosity, paired with his uncanny business acumen and limitless originality have made him, in my eyes, a true hero of conservation. Every angler who wets a line owes Jack a debt of gratitude. —Mark Ray

Pat Murray, President of CCA:
It is hard to calculate all Jack has done for marine conservation on so many levels. He has provided unparalleled vision, generous support and a business acuity that is unmatched. Jack’s mark on CCA is simply priceless. —Pat Murray

Robby Byers, CCA Texas Executive Director:
Jack was an instrumental part of creating the Gulf Coast Conservation Association (GCCA) now CCA. He and a few other recreational fishermen saw early on that there needed to be something done about the overfishing in Texas waters. Since then, his vision has been woven into the fabric of how CCA manages our coastal fisheries not only in Texas, but also the other 16 CCA states. Without Jack and his group of friends, we may not be able to enjoy the great fishery that our state has to offer. —Robby Byers

Jack Mayfield briefly revisited CCA’s history, then closed with these thoughts:
I want to thank Pat Murray and Jeff Angers for their kind words and for providing a little history of my long term relationship with Coastal Conservation Association and the Center for Coastal Conservation, a PAC which supports the organization’s goals.

There is yet much to do. The resources we are devoted to conserving continue to need ever growing care and attention as our population increases. This requires the involvement of many caring people who will fulfill an active Stewardship role. That’s what I see as I look over this group – caring people, good stewards. I would urge you to teach your children and/or grandchildren about the outdoors; take them fishing; take them hunting. Show them geese and ducks going south in the fall and north in the spring. Watch sunsets/moonrises with them. Lie on your back next to them in the moonlight and point out to them the stars, the constellations and the craters of the moon. Show them what a beautiful world we have been given. Teach them about caring, stewardship and about exercising reasonable and intelligent dominion over our resources in the same manner as was the first man on earth instructed to do. When they’re old enough, bring them to a C.C.A. banquet.

In closing, it must be said that I’ve taken from this organization much more than I’ve ever given. It’s been a great ride! Thank you.

Abandoned Crab Trap Program 2013

Coastwide, we topped the 30K mark with 30,420 traps removed from the bays since 2002! Add another 1400 retrieved by wardens on boats which started the program before the closed period for a total of almost 32,000. Not bad for a CCA driven initiative. —Ronnie Luster

For a complete report, drop by the CCA website: www.ccataxas.org, Or, contact Art Morris at art.morris@tpwd.state.tx.us

Special recognition goes to all the volunteers who brave the wind and cold to have the opportunity to trash their boats with mud, oysters, barnacles, and old traps. At the TPWD POC docks, the POC CCA Chapter catered the food, again! Thanks also to CCA for supporting this effort with people, supplies, and funding. Without all the volunteers over the years, the traps would still be out there fishing, killing crabs, fish, and turtles, and generally getting in the way. Great work folks! —Norman Boyd, San Antonio Bay Ecosystem Leader

The Billy Sandifer Big Shell Cleanup

Nice weather for a change
Saturday, Feb. 25 — When I read the forecast for the Cleanup, I couldn’t believe it—“Partly Cloudy with a high of 72.” Billy Sandifer joked about an asteroid that would spoil our good luck, and bring back the lousy weather event the event had usually seen in the past. But, the event started off on a good note with the weather cloudy, windy and cool with no heavy rain nor meteorites.

According to park ranger William “Buzz” Botts, we had around 500 volunteers. Some 388 went down to Big Shell, with another 100-plus from John Paul II High School who cleaned the four miles of beach at Malaquite. All together, 45 tons of trash was removed from the Padre Island National Seashore (P.I.N.S) with 13 miles of beaches cleaned. —Tyler Thorsen

The Basslers Port Mansfield East Cut Cleanup

Tons of trash eliminated from East Cut jetties and beach
Saturday, March 16 — As Currents goes to press, we don’t have the final figures. We cleaned a shorter beach distance north from the Cut, but had a larger amount of trash eliminated, because we focussed on the jetties. The big rocks were really bad, with thousands of plastic bottles jammed into the boulders. Thanks to all the CCA members who responded and cleaned a huge area of the East Cut and PINS beach.

And a special thanks to the sponsors who made it possible to house, feed and transport those volunteers to and from the beach.

Aransas oyster reef restoration extended

CCA Texas State Board approved $75,000 in funding for a 1-1/2 acre oyster reef expansion that is located in Aransas Bay off of Goose Island State Park and west of the park pier. This project is a partnership with Harte Research Institute (HRI) and will expand an existing 6.5 acre restoration project funded by the Gulf of Mexico Foundation, Fish America Foundation, the National Fish and Wildlife Foundation, and NOAA to a total of 8 acres of reef complex.

This project will be designed to build a 3-dimensional reef complex with high vertical relief to enhance oyster and finfish abundance while minimizing sedimentation. Because multidimensional reef structures provide habitat for numerous fish and invertebrate species, the reef will be constructed as a series of reef mounds surrounded by mud and near previously restored reefs, where complexity is an essential design element. Actual construction will use recycled, clean crushed concrete or other suitable base material (e.g. limestone, river rock, porcelain), and will be topped with reclaimed oyster shells.

Based on our previous restoration work at this location, the restoration project is expected to increase fish habitat, enhance oyster, finfish and crustacean abundance, and increase recreational fishing opportunities.

“We have previously restored degraded reef habitat within the Copano-Aransas bay system using similar methods and have observed increased fish and invertebrate abundances,” commented Dr. Jennifer Pollack, Assistant Professor in the Department of Life Sciences at Texas A&M University-Corpus Christi (TAMUCC).

Long-term success of the reef depends upon larval oyster settlement onto the reef structure and survival and growth of these oysters to larger size classes. With this in mind, construction of the reef will take place just prior to optimal periods when larval are in the system and ready for settlement onto suitable structure. A quarterly (seasonal) monitoring program will be initiated to measure the structural and functional characteristics of the restored oyster reef and its overall health with nearby reference locations on existing oyster reef providing baseline data.

CCA Texas helps expand the new Corpus Christi nearshore reefing site

The CCA Texas State Board approved a $100,000 commitment to Texas Parks and Wildlife Department’s (TPWD) new Corpus Christi Nearshore Reefing Site in February of 2012.

With several options available, an agreement has been reached with TPWD to expand the existing project underway that is reefing 400 pre-constructed pyramids to 470 pieces. This project will reef approximately 40 and 50 acres of the newly created 160 acre site. This site will present quick and easy access to anglers fishing from both Corpus Christi (Packery Channel) and Port Aransas, and will be located in Texas state waters.

Project construction is underway and final deployment is anticipated to be completed in the late spring of 2013. To date, CCA Texas has partnered in four nearshore reefing sites with TPWD and contributed $400,000 to these efforts in Freeport, Port Mansfield, Corpus Christi and Matagorda.

CCA Texas recognizes the value of nearshore habitat and looks forward to partnering with TPWD and other organizations in the future to continue this effort to give Texas recreational fishermen habitat rich fishing environments.
The Winds of Spring

By Capt. Walt Kalinowsky

Through April, much of the upper coast will have the same problem: WIND. Know the winds before you go, and choose destinations that favor lee shores. Example in the Galveston area—Upper Trinity Bay. You can actually fish up the Trinity River on high tides, using the same techniques you’d use for bass. Fish the points that drop into the channel. The good news is, a mild winter seems to have put the upper coast a couple of weeks ahead of schedule.

On those pleasant April southeast wind days, your options are much greater all the way from Sabine Lake to East Matagorda Bay. A few good locales early in April will be the middle to back of East Galveston Bay. Hit the wells and Jack’s Pocket with live bait and deeper lures. Drift the East Bay shell reefs with an eye out for slicks.

My plastic lures of choice favor Hoagie Diablos, because they’re tough, and all shad tail flavors. For live bait fishing, concentrate on the jetties (carefully!) and the Galveston channel. Campbell’s Bayou can pay off big time for shrimp under popping Corks. But whatever the bay system, early mornings, wade or work the shorelines, always watching for nervous baitfish. And watch for the birds; a concentration of our feathered friends this time of year can indicate big trout. Toward the end of April and into May, the birds seem to point out smaller trout.

Whether the Sabine region, Galveston Bay systems or Matagorda Bays, May can be a great time for fishing and catching. I like to work Sabine Lake, watching for slicks and birds, with topwaters. I know, doesn’t sound right, but some big specks will come up after a carefully worked topwater. Fast or slow? Sometimes, a fast retrieve in clear water will bring a huge strike, and other times, slow and erratic. Let the fish tell you how they want it. Suggestions: an orange-gold Skitterwalk, a chrome-chartreuse Super Spook. The catch is, you may have to make your own. Take the eyes off, sand the plug with 00 or steel wool, paint it, put on two coats of auto clear, put the eyes back on and go fishing. Remember to put some back for seed, take a youngster with you, treat your fellow fishers, auto clear, put the eyes back on and go fishing.

Opportunity for all

By Capt. Stephen Boriskie

Some of the best action of the year is just around the corner in April and May in the Middle Coastal waters of Texas. Challenging times of the year for the shallow water angler but those who can manage the windy days and swinging tides will reap big rewards. Whether you are hard core artificial or use a variety of live and dead baits. Whether you wade fish or prefer fishing from the boat, Spring brings opportunity for all.

Speckled trout are going to be interested in hammering a variety of baits including live shrimp under popping Corks, soft plastics in a dark body and bright tail (presented swimming or under a popping cork) and of course that famed topwater plug! Redfish do all of that and more as they remain a fierce predator worthy of a bowed up rod and sore-handed angler. Don’t forget the superb tasting black drum; this is the time of year when they seem to be in abundance on a wind-blown shallow flat. Similar to the Fall, this is a time for cool mornings and warm afternoons and with that extra daylight after the time change, it is ON!

As I get settled with a group of great fishing guides and staff at my new opportunity with Bay Flats Lodge in Seadrift, I’m reminded every day why I love to fish so much. Whether I have customers on a guided fishing trip or if I’m just out on my own scouting or taking friends and family fishing, the whole coastal experience is what keeps me going. I consider myself lucky to guide for a living now, and it’s all enhanced by the efforts of CCA contributing time and money for a great cause. —Capt. Stephen Boriskie

Middle Coast

The best of times, the worst of times

By Capt. Sally Black

Spring has arrived and the conditions necessary for a steady fishing pattern have begun. Warming water temperatures along with warmer nights combine with a shrimp migration and an influx of other bait, giving predators the opportunity to eat and grow.

The rocks of Baffin Bay are starting to produce some good trophy-class trout, and the shallow waters along the South Shoreline, the Tide Gauge Bar and the Upper Laguna Madre near the mouth of Baffin Bay have been holding nice big redfish and black drum.

Sunny days with less wind are more predictable for catching, along with solunar feeding periods and moon phases, which can give anglers an added scientific edge as well. Weather patterns are the most frustrating for anglers in early April as the cold fronts no longer approach close enough to produce rain or cold temperatures. What they do produce is lots and lots of wind, and then exorbitantly high air pressure which can shut down a bite.

This transition period between late winter and early spring can be the best of times and the worst of times for all fishermen. But, hang on, early April is the time that the patterns will become established, and that is why, at Baffin Bay Rod and Gun, we think it’s the very best time to target the really big trout.

Shallow water sightcasters also get the benefit of a little less wind and higher water levels, bringing in lots of glass minnows and tiny shrimp to infest the grass edges of the shorelines.

As May begins, every day is an adventure during a transitional period, but it’s a great time to be on the water. Dodge the crowds of summer and watch the bays and birds come alive with the passing of winter and the approach of summer. Get out the sunscreen and get on the water!—Capt. Sally Black

Our chapter volunteers participated again this year in the Abandoned Crab Trap Project. Since its inception, over 33,000 abandoned crab traps have been collected and disposed of. Continued support of the Abandoned Crab Trap Project was highlighted for me this past February when my fishing partner and I took a break from fishing, to remove four abandoned crab traps, resulting in the release of over three dozen stone crabs and about a half dozen blue crabs.

Volunteers from our chapter also participated in the 18th annual Billy Sandifer Big Shell Beach Cleanup. In 2012 over 300 volunteers braved the wind, rain and cold temperatures to collect over 40,000 pounds of debris from more than 7 miles of beach. We encourage members from all CCA Chapters to become involved next year with these two important conservation efforts.

It’s not just springtime, it’s CCA Babes on the Bay time. Online registration is going great guns and Karol Scardino, Tournament Director, along with a core group of volunteers are working hard to make the 2013 Babes on the Bay the best ever. As stated in previous issues, starting with the 2013 Babes on the Bay tournament, online registration will be used exclusively to sign up for the tournament. Please visit the site (www.babesonthabay.com) and review the registration process to determine if you have any questions. The last day for regular registration is 4/15/2013. All registrations received after this date will pay an additional $10 late registration fee. If you have questions, contact Karol Scardino at 361-386-0028. We’re in the stretch run, putting finishing touches on our 2013 banquet and it WILL be one for the books. Every year, with the help of our sponsors and members, the Austin banquet reaches new heights. With trips from around the world, cuisine from 15 of Austin’s finest restaurants, our trademark Yeti game, and much more, it’s a spectacle you have to see and a wonderful, fun time with fellow CCA friends. Come to the Palmer Events Center May 9 at 6 pm and be a part of the finest event in Austin. Go to www.ccaustinx.org for table and ticket information. But don’t delay because we expect to sell out.

Special thanks to all of our 2013 sponsors:
Title Sponsor Covert Bastrop, Presenting/Live Auction Sponsor Independence Title, Beverage Sponsor Capitol Beverage/Lone Star Light, Boat Sponsors Burt Watts and Denbow Construction, Raffle Sponsor Commerce National Bank, ACK, Austin Concrete, BCS Concrete Structures, Capital Vending, Central National Bank, Deaton Engineering, DCA Construction, Dental Health Mgmt, Document, Dubois Bryant & Campbell, Grande Communications, HEB, Maxwell Locke Ritter, Ontra, Plains Capital Bank, Smokey Denmark, South Austin Marine and Trim Tech!

As of this writing, we still have a few raffle tickets left for our banquet boat, a beautiful Shallow Sport Bahia in Laguna Green. This year’s boat has more options than we can list, but you can check her out at www.ccaustinx.org and buy a ticket to win! Or go see her in person in front of Cabela’s in Buda.

Our last ANO was a Texas slam with Dr. Greg Stunz sharing the latest on trout migration studies, the new Sportfish Research Center and a host of other topics. We will welcome GLO Commissioner Jerry Patterson for our March 20 ANO at Abel’s. Remember, Austin’s ANO is always FREE and open to everyone. Join us and enjoy a fun night, a free meal courtesy of Smokey Denmark, and come win one of dozens of cool prizes we have each and every time.

Wow, spring is finally here. The fishing reports are good and lots of things will be happening soon. We had a General Membership meeting in February with Capt. Steven Coffee as the main speaker. He was joined by Capt. Dean Muckelroy. It was a great evening. Capt. Coffee had the whole room in stitches with laughter most of the time. It was great information on live bait fishing and the way he presented it was a hoot.

Howdy! We have completed another successful banquet and it was truly a team effort! We were definetly successful and hope that we can bring in some new members to add to our experience.

The barbecue was awesome, as always, and we would like to thank C&J Barbecue and Budweiser for their sponsorships of food and beverages. We also would like to thank the many local businesses that gave their time, money and raffle support to help CCA, and all of our members for the hours they devoted to our cause. Please shop local and support the small and locally owned business.

As always we meet every second Tuesday of each month at the pavilion behind the Brazos Center, 6pm for fishing tales, and then food and some chapter business. Call Scott Sigle for more information at 979-820-3101. — Tammy Aaron, Secretary

January and February were extremely busy months for this chapter, as we prepared for our earliest banquet ever, and I am proud to announce that all the hard work paid off. The 35th Annual Dinner Banquet, held on March 7, 2013, proved to be another highly successful event for the Corpus Christi Chapter. Selling out an entire week prior to the banquet allowed us the opportunity to fine-tune the facilities, auctions and raffle items without having the added pressure to simultaneously conduct table sales. I want to thank you all for your attendance and support, as they are vital in securing the future of Texas’ coastal resources.

A special thanks to all of our sponsors:

We had a great membership meeting on Thursday March 7 at the Rahr Brewery. Thanks to our friends at the Brewery for having us again. We had our best Ft. Worth attendance ever! Thank you to all of the members who came out to support us. We had 2 guest speakers; Lt. Commander Scott Parkhurst of the US Coast Guard and Capt. Bill Carey of Stripper Express Guide Service on Lake Texoma. Both gave fantastic presentations and shared their knowledge with the group. The board prepared a wonderful fish fry for our members. Thanks to all of you who pitched in to make the night a success.

We would also like to include a nod to Brute Box Coolers for their donation of a 50 qt cooler for raffle. We are looking forward to growing our relationship with Brute Box and are excited to have them on board with us. Check them out at http://www.brutoutdoors.com/

We gave away some great raffle prizes and sold several more boat tickets. If you haven’t gotten yours yet you might want to make arrangements to do so. We are only selling 300 tickets on a chance at a 23’ Haynie Big Foot with a 150 Hp Mercury. We’ll have the drawing at our banquet on May 2nd at Joe T’s. Tickets and tables for the banquet are on sale now. Galveston
Dr. Ken Ellis 713-962-7731
The Galveston Chapter would like to invite you to our next general meeting on April 11 at 6:30 PM, at M & M restaurant. SHIMANO USA will be our speaker on hand, to inform and educate everyone about all of their new and upcoming reels and rods, and other fishing equipment. It will be a very informative lecture, and they will be able to answer any questions you may have as well. The M & M Restaurant will provide free light appetizers, with a cash bar.

We are getting closer to our annual banquet, which will be held at Moody Gardens on August 3, 2013 where we will be raffling off our 21’ Shallow Sport-Bahia, totally rigged out with a 150 HP Evinrude E-Tec motor and trailer with custom aluminum, all furnished by the great guys at Coastline Marine, Cole Starr and Chad Starr. We are only selling 350 boat raffle tickets, which will be sold out BEFORE the banquet, so if you would like one please call me directly.

That evening we will also be having a large selection of live auction items, as well as silent auction items. We are looking for any corporate sponsors as well to underwrite the boat wrap, and other items for that evening. If you are interested in any sponsorship, please call me personally.

The shrimp should be moving out of the grass beds soon, as the water temp increases. It’s my favorite time of year to fish with my daughter Katelyn, the birds will start working, we go to daylight savings time soon, and the bite will be on. So if you see my orange boat working we go to daylight savings time soon, the bitewill be on. So if you see my orange boat working. Please join me in congratulating Josh Kaczynski as our new 2013 Chapter President. Josh has big plans this year for our chapter and we can’t wait to see what he has in store.

This year, the Golden Triangle Chapter will be auctioning off a 1984 CJ7 for the big-ticket raffle item. This CJ7 has been fully restored and in great working condition. Fish On! Doesn't that just give you a good feeling? It gives you even a better feeling when you are the one saying it. Fishing is such a great sport/ activity. Just about anybody can participate, even with certain physical limitations. We want fishing to be a sport that anybody can participate in. We are continually battling against nature, political issues and man. This is why an organization like CCA is so important to this industry.

Wow! Just can’t believe how quickly this year is flying by.

Another New Thing: This year you will register for the HILL COUNTRY FISHING TOURNAMENT by mail or at the May 21st General Meeting. The Tournament is June 8 in Rockport. We won’t have a meeting in June. You will be receiving a flyer in the mail with the details. The Tournament banquet will be at Drifter’s Hall in Rockport and it only holds 200 people, so register as soon as you get the flyer! You will have to register by the deadline on the flyer. You have to be a Hill Country Chapter member to fish the tournament.

That’s about all for the New Things we are doing. Soon the Directors will start working on the banquet. We need items for the Live Auction, Silent Auction and Raffle. If you have an item or service, or cash donation, please contact me at 830-214-3067. If you know someone that fishes, or is a conservationist ask them to join CCA and bring them to the Social or a meeting. For more information on the tournament June 8, contact Josh Downy at 830-708-2986 or Sterling Schulz at 830-305-5128.

The Katy Chapter is working feverishly on banquet plans. Our banquet will be June 26, at Agave Road. Ticket prices are $50 per individual, and we’ll have corporate tables for a small fee of $1,000 or $500. Our raffle items, in the past years have been a huge success and this year we are GOING BIGGER - 20 gun raffle, $20 per ticket, and only 650 tickets available. Last year, there were a bunch of sad faces as we sold out of raffle tickets very early, so get yours early and keep smiling! We should have tickets available at this meeting. Bring a pocket FULL of cash and ‘gitcha some’!

In addition to banquet planning, we have had great meeting turn out for our Speaker Series. In March we hosted Captain Ralph Morales of Big Dog Guide Service. Capt Morales has fished Port O’Connor and the surrounding bay

An amazing collection of plastic containers faced the Port Mansfield cleanup crew at the jetties. Photos before, during and after by Sam Caldwell.
systems for over 23 years, and specializes in sight casting for reds and technical fishing for trout. Ralph is a ‘teaching guide’ that works with his clients to learn the subtleties of proper wade fishing and lure presentation. According to Big Dog, there’s more to fishing than tromping around in the water, chunking a lure, and reeling it in (no wonder I struggle to catch fish). Ralph is a great guy and a supporter of the Katy Chapter, too.

The Katy Chapter meets on the 3rd Wednesday of each month, at Red River BBQ on Mason Road. We gather for lies around 6:30 and start the ‘official’ business at 7-ish. If you’d like to get involved or would like to hone your fishing skills, we would love to see ya. —Clint Hilton 713-515-3991

Hello again from the Lower Colorado Chapter. We have been a bit dormant throughout this winter season, but are planning to start off the year with some exciting activities. Our local Bay City Birding and Nature Center will be hosting their 4th Annual “Rally on the River”, at Riverside Park on Saturday, April 13. Their main event will be a voluntary 8 mile Kayak trip on the Colorado River with activities at the park afterwards. Our chapter will support them by teaching the art of throwing a cast net and also showing our junior fishermen how to use a rod and reel. Last year, we showed a lot of people. We will need some chapter member volunteers to help in this event. If you can help, call Jerry West at 979-318-9007, Ronnie Bose at 979-429-0457, or John Kubecka at 979-245-9571.

Our chapter Kid Fish will be held Saturday, May 11, starting at 9 am, at the Bay City Birding and Nature Center. This is the event where kids from Bay City and surrounding areas come to the Nature Center pond to experience the fun of fishing. Afterwards, there will be a meal of hotdogs and fixings served and awards given. It is a delight to see the expressions on kid’s faces when they have a fish on their line. For some, this is their only opportunity. To make all this happen, we have some great sponsors this year. We will need some chapter member volunteers again. If you can help, call Jerry West at 979-318-9007, Ronnie Bose at 979-429-0457, or John Kubecka at 979-245-9571 and let someone know we can count on you.

The date for our 5th Annual CCA Banquet and Fundraiser will be Friday evening, August 16th, 2013 at the Bay City Convention Center. Mark this date on your calendars. Last year’s event was our best yet. We have our challenge ahead of us again this year to equal or beat this support venue for CCA.

The Lower Colorado Chapter meets every first Tuesday at 6:30 pm. The location is sent by email and also listed in the Bay City Tribune newspaper. Come early and share a meal with us. Chapter members get involved with your chapter. Come to meetings and bring a friend. In the meantime, keep those lines wet. —John Kubecka, Secretary

We will have our first General Membership meeting of the year at 7 pm on Tuesday, March 19 at Dickinson Bar-B-Que. Our speaker for the evening will be Phil Ortiz with Flounder Pounder lures and he will be there to talk about flounder fishing on the Texas Coast.

For those of you who have not had a chance to listen to his presentation, you are missing out on decades of flounder fishing experience. Dickinson Bar-B-Que is located on FM 517 about a mile East of I-45 in Dickinson, Texas.

We will once again have boiled crawfish at our banquet on Friday May 3rd, doors open at 6:30. For the last 14 years in a row we will have it at the Nessler Center located in Texas City, you should start seeing flyers on this shortly. The tickets for the banquet are $40 each and $45 at the door. We have reserved tables you can purchase for $200, $400, and $800. All of the usual auction and raffle items will be there but I would like to mention the main raffles items available: There will be three chances to win: 3rd prize is a 45qt Yeti Cooler, 2nd Prize a 12 ga. Franchi Auto Shot Gun, 1st Prize is a FTU Green Rod with Cronarch Reel & .270 Thompson Center Bolt Action rifle. Tickets for the raffle are $10 each and 6 tickets for $50. Good luck. Please join us for these two events, I hope to see you there. —Eric Minor 409-370-7379.

Our General Meeting (formerly Anglers Night Out), this year was held on February 19, at the Victoria Community Annex. I would like thank them for doing a great job and service getting the room ready and set up for us.

We had about 100 CCA members there, all enjoying the great food and speaker! The BBQ and Sausage with all the trimmings were catered by K Bs BBQ located in Victoria, Texas. It was a great meal.

Our guest speaker was Dr. Greg Stunz, from the Harte Research Center, Texas A & M Corpus Christi. Dr. Stunz spoke at length on...
2013 started off with a great duo, Co. USA, fish. There was a very good question and answer participation at the end of his program. This event was co-sponsored by Waterloo Rod Co., USA, and I want to thank Jimmy Burns for donating two Waterloo Rods, T Shirts, and Caps to add to other items that some of our lucky guests were able to take home with them at the end of the evening.

SAVE THE DATE! Mid Coast Chapter Banquet will be held on Friday April 19, 2013 at The Victoria Community Center, Victoria, Texas. Curt Allison will once again be the chairman of this year’s banquet. He did a great job last year and promises this year will be better. I appreciate all the hard work he puts into this banquet.

Sponsor tables are still available and can be purchased from any board member. You can also contact our table chairman, Hector Mendietta at 361-571-1239. We are also selling individual tickets for $99, and they can be bought at The Tackle Box in Victoria. These tickets come with the meal, drinks, CCA Membership along with the Star Tournament entry. Pray for rain to end this drought and to fill the lakes and rivers. Tight Lines, —David Jenkins

2013 started off with a great duo, Eric Bruss and Chris Albertson from the Redfish Army Anglers. They shared some great tips about their experiences on the Texas Saltwater Tournament Series, and their amazing organization.

Next up was Phil Ortiz, from Flounder Pounder, on March 27 at Cedar Landing Restaurant. He shared his sure fire tips on how to catch flounder in the Galveston Bay complex.

**April 20, 5 pm is Northeast Houston’s 25th Annual Banquet at the Humble Civic Center Arena.** The event will begin with some delicious crawfish, cold beer, and many prizes. We will have raffle prizes, silent auction items, live auction items, and the big sportsman raffle to end the night! You can purchase individual tickets, tables of 8, or reserve an exhibitor’s booth at this year’s banquet.

This year’s Sportsman Raffle is loaded with three huge items any sportsman would enjoy. A 65 quart Yeti cooler, a $500 Academy gift card, and the “Night Stalker” fishing trip by Hackberry Rod and Gun Club are the items in the Sportsman Raffle for 2013. We will be selling only 500 so grab your tickets before they are all gone!

We look forward to seeing everyone at the upcoming events! —Jason Law

The Next General Membership meeting is April 2nd. It will be held in the Stein Room at Houston Distributing as in the past. We will announce the speaker when we send out the meeting notice.

February Members Meeting: Our February speaker was actually a facilitated session by Forrest Volentine. We shared winter fishing and hunting stories many of which ended in a roar of “been there” laughter. The use of braided line seemed the topic getting everyone’s interest. It was a great free-form program.

**Annual member Fish Fry:** Mark your calendar for our annual member appreciation fish fry. It will be held at our April 2nd General Membership Meeting.

The POC Chapter was on hand at the Texas Parks and Wildlife docks on Saturday, February 16 to assist with the 2013 Crab Trap Removal. Several members were on the water, along with volunteers and members from other chapters to pick up traps. For this time of year, the weather was great and the turnout reflected the beautiful weather. Chris Smisek of San Antonio and his crew collected 35 traps for the most brought in. The chapter provided lunch at the dock for all who participated in the trap removal.

Special thanks to the members who assisted with the preparation and serving of the meal, including Carl and Pam Ray, Lefty and Joanne Ward, Mike and Maxine Sharp and Suzie Onishi. Also, we would like to thank Dr. Wally Bubley and bride with TP&W Fisheries Division for opening the facilities and assisting with everything. A big thank you to Norman Boyd for his assistance.

Watch your emails, as we will be scheduling meetings in preparation for the 14th Annual POC CCA banquet, so be sure to pencil in that date—Saturday October 19th, 2013.

So, as the north wind calms and the weather warms, come see us, or if you want to get involved with the chapter and/or banquet- contact us in POC. “Where it all began.” —Bill Moore

On Friday, February 22 we held our annual Chile appreciation dinner at the Cat Spring Tin Building. Thanks to Kirk Hoppe for preparing his famous chili, and thanks to his helpers Randy Goebel, Jason Beam, Joey Pawlowski and any other board members that helped. We want to thank Sharon for all of her hard work that made the evening a success. We had a wonderful turnout. There were many gifts raffled off at a dollar bucket raffle.

The guest speaker for the night was Gilbert Alaniz, the Austin County game warden. He talked about boat and life jacket safety for the young boaters. Many thanks to Dee and Barney Bolten for bringing their wonderful stuffed jalapenos and dip. We thank them for bringing this appetizer every year. We would like to thank Charlotte and Albert Pagel for bringing the delicious lemon bars. The lemons were picked from their lemon tree. We apologize if we have left out anyone who brought appetizers or desert.

Don’t forget our 16th annual CCA Fund Raiser banquet on April 4th at the Cat Spring Hall. We hope to have a full house. The meal for the evening will be prime rib and shrimp catered by Jerry Mikeska Catering. There will be a gun and cap raffle along with a live and silent auction. Some of the gifts were donated by sponsors.

The Redfish Bay Chapter Annual Banquet will be on April 20, 2013 at 6 PM in the Port Aransas Civic Center. The banquet will similar to the 2012 banquet with a sit-down meal, beer, wine, soft drinks, live auction, silent auction, raffle items and door prizes.

Our banquet is a family event, and attendance by spouses, young adults, and older children is encouraged. We do everything we can to make it a fun time while supporting Texas conservation efforts. As always, money raised in Texas, stays in Texas!

Our annual “Take a Kid Fishing” event will be on May 31, with the evening for sign-up and a meal, and June 1, for morning fishing and awarding of trophies starting at noon. If you cannot make it on Friday evening, you can register on Saturday morning. In 2012, we had 200 kids fishing and having a great time — a great event! Bring the future fisher persons for their annual “tournament”.

Our Annual Beeville Fish Fry will be on the Thursday evening before dove season starts. We look forward to the new year and seeing you at our events. —Norman

Stiff warm winds, bull tides, and longer days make for neoprene waders and long sleeves to be put on the shelf. Spring is upon us and the anticipation of landing a tagged redfish or monster trout for the S.T.A.R. Tournament becomes the focus on our water. As we move into this season, Trinity Bay Members are gearing up for our annual banquet in August.
In addition to searching for that prize fish, members are beginning to call on past banquet sponsors, while in search of new ones.
