Moving along on the Cedar Bayou front

Jay Gardner considers the ramifications of one of the most important facets of opening Cedar Bayou. As he phrased it in the April/May Currents, "The PROXIMITY of this pass to the estuaries of the Mesquite, Carlos, Ayers, St. Charles, Aransas, Mission/Copano, San Antonio, Guadalupe, and Hynes Bays, and the freshwater inflows into them."

Jay ended his comments about the positive possibilities of opening Cedar Bayou with an intriguing sentence: "Ah, but the freshwater is a story for another day, and another piece of the puzzle that CCA is working on with the Habitat Today, Fish for Tomorrow initiative. For now, dig Cedar Bayou and stay tuned!"

Watch for Jay’s comments on the opening of Cedar Bayou and the impact that the pass can have.

CCA creates grant request, pledges additional $500,000

Massive oyster restoration slated for Galveston Bay

Governor Perry approves $3.2 million for oyster enhancement project

After months of process and effort, Governor Rick Perry has submitted a $3.2 million Coastal Impact Assistance Program (CIAP) grant project to US Fish and Wildlife for final approval. This grant request was created by CCA Texas in partnership with Texas Parks and Wildlife Department (TPWD). CCA Texas has pledged an additional $500,000 to increase the scope of this enormous reefing project.

“Clearly, this is a high impact project,” said Mark Ray, Chairman of CCA Texas. “We applaud Governor Perry for his support and vision in this effort and look forward to the next steps.”

After Hurricane Ike, more than 8,000 acres of oyster reef were destroyed in the Galveston Bay system. CCA Texas partnered with TPWD, key academic leaders and the oyster industry to create this unique plan for Galveston Bay oyster restoration. The project will restore in excess of 100 acres of oyster reefs in Galveston’s popular East Bay.

“Among Galveston Bay anglers, East Bay has always been known for its thriving and productive oyster reefs,” said Robby Byers, CCA Texas Executive Director. “Our hope is that this project will be another step in improving the health and productivity of the Galveston Bay complex.”

CCA Texas’ Habitat Today for Fish Tomorrow program has funded more than $400,000 near-shore reef projects and has pledged an additional $500,000 for this enormous reef creation effort.

“The Governor’s approval is a critical step in getting final funding for this important project,” said Ray. “We all know how tenuous federal and state budgets are right now and it is critical that this project goes to completion.”

CCA Texas’ Habitat Today for Fish Tomorrow program (HTFT) provides much-needed funds for the restoration and enhancement of coastal marine habitats. The program has supported marsh grass enhancement projects, inshore and offshore reef creation and vital estuary restoration that span from Port Mansfield to Sabine. Through CCA Texas’ successful fundraising and membership efforts, HTFT has grown to become one of the largest programs of its kind.

The leader of West Coast CCA speaks about the influence of Texas CCA

Gary Loomis named first Dallas Sportsman Conservationist of the Year

Dallas CCA banquet, April 26—Chapter president John Hansen took the microphone. “Many of you know that this is the first presentation of a special honor, the Dallas CCA Sportsman Conservationist of the Year.”

When Hansen asked Loomis to speak for a minute—after a standing ovation—Gary branded his award and said, “It would take a lot more than a minute to tell you what this Texas CCA award means to me.”

Loomis pointed out that the success of the Texas CCA along the Gulf and East coasts led to the development of the Washington State and Oregon CCA chapters. And, he noted, the two East coast chapters are now among the most successful chapters in CCA. —Sam Caldwell

State of Texas
Angler’s Rodeo

23rd Annual STAR
Sixty “STAR” Quality Redfish Ready to Pay-Off Any Lucky Angler!

With the tournament now underway, the CCA Texas STAR is heating up fast! This year’s event began at sunrise on Saturday, May 26 and runs through 5 p.m. on Labor Day, September 3. Anglers should be really stoked to know prospects are good. Actually, they’re better than good… trout populations are on the rise up and down the coast! Guide reports are simply, “Trout numbers have never been better!” That might be expected with a lower, five-fish limit in the Laguna Madre, but trout numbers are rising from South Padre to Sabine Lake, according to Texas Parks and Wildlife biologists. “What the guides are reporting is accurate,” said Mark Fisher, science director for TPWD. “We saw the biggest increase in our bag seine surveys along the middle coast this year.” Fisher said, “Low trout production before 2010 set the stage for the explosion of juvenile trout in the bay systems the past three years and have been at or broken new records for numbers of juvenile trout,” he said. “We’ve now had three very strong classes. I think the lack of competition for the young trout has helped them to rebound. When they don’t have to compete as hard for food with other, bigger trout, it makes it easier for them to grow.” Fisher said, “The winter kill several years ago probably added to the earlier decline, but trout numbers were declining even before those bad freezes. Anglers should expect trout born in 2010 to be of legal size this season. It takes two years for a female fish to get to legal size”, he said. “The males should take a little longer, but anglers should be seeing the results of these classes soon.” Hot diggity!

If that doesn’t get STAR anglers excited, the “STAR” attraction in the 23rd Annual 2012 CCA Texas State of Texas Anglers’ Rodeo (STAR) sponsored by the Texas Ford Dealers, Tilson Home Corporation and Capital Farm Credit, sixty specially tagged redfish ranging from 20 1/2 to 25 1/2 inches in length, were set free just days before the May 26th kick-off by Official Redfish Release Teams throughout 600 miles of Texas coastal waters, from Sabine Lake to South Padre Island. These “STAR” quality redfish are out there swimming around and ready to be caught to make some lucky angler’s day! Keeper-sized prizes can be claimed by STAR anglers who bring in the first 10 tagged redfish. The first five winners will drive home in a 2012 loaded Ford F-150 “Texas Edition” XLT SuperCab, pulling a brand new 23’ Haynie BigFoot boat rigged with a Mercury 150L OptiMax motor and Coastline trailer. The next five tagged redfish winners will each claim a 23’ Haynie BigFoot boat with a Mercury 150L OptiMax motor and Coastline trailer. You will have to supply your own truck to tow these rigs home. Last year twelve tagged redfish were caught, but only three anglers claimed prizes. The others, unfortunately, were not registered for STAR.

Anglers from all across the great Lone Star State can enter all summer-long to vie for over $1,000,000 in prizes in the 23rd Annual CCA Texas STAR Tournament! So don’t de-lay… SIGN UP TODAY! To help with your fishing expenses this season, Academy Sports + Outdoors will again generously provide all current CCA Texas members with a $10 coupon. And, of course, don’t forget to take advantage of all the other great Member incentives available to CCA Texas/STAR participants. Please see below for more details.

You’ve got to be in to win! Time to get spoooled up and ready for another great season of fishing fun! A friendly reminder to all anglers who plan to fish the Texas Gulf Coast during this time… in order to win one of a $1,000,000 in prizes being offered in Texas’ largest, richest, summer-long saltwater fishing event, an angler must be a CURRENT member of CCA, in addition to being registered as a 2012 Texas STAR entrant. The STAR tournament entry fee is still an awesome bargain at only $20 for ages 18 and up! Membership fee is $25 annually, plus $20 STAR Tournament for a total of $45. In order to win at STAR, an angler must be registered and be a current member of CCA. You know you’ll go so might as well do it now! Remember, everyone entered in the STAR Tournament, who will be 6 years old in 2012 and older, is eligible to win the prizes being offered (even the tagged Redfish Division)!!! Get everyone signed up for the 2012 STAR. Be sure and enter now to take advantage of some great incentives… see details below, and on next page.

Young Anglers Fish for Free! Speaking of bargains, for young anglers ages 6–17, the “New Tide” membership fee remains $10 annually and the STAR entry fee is FREE!!! Of course, we want all kids on the water. CCA “New Tide” members will continue to have the opportunity to win giant scholarships to fund their college education for just the price of a $10 CCA “New Tide” Membership. We thank our generous sponsors for making it possible for us to offer young anglers this great opportunity. Keep in mind, signing up as a “New Tide” membership DOES NOT automatically register member in STAR. “New Tide” Members MUST BE at least 6 years of age in 2012 to be eligible to fish STAR and under age 18 to enter for FREE. It is the “New Tide” Member’s responsibility to register each year for STAR. Don’t miss “the boat” or “the truck and boat”… register today! You can sign up NOW online at www.ccatexas.org or www.startournament.org!!!

Please be advised your subscription WILL NOT be sent automatically. If you wish to take advantage of this special bonus you must declare on your application form. If you have already signed up for the 2012 STAR, but did not declare that you would like this special offer and/or have questions regarding your past or current subscription, please call (800) 725-1134 or email jennifer@actionfullment.com.

**TILSON HOMES $1,000 IN FREE UPGRADES**

– Evidently, CCA Texas member who purchases a Tilson Home is eligible for a value discount. Tilson will give you $1,000 off on any upgrade such as ceramic tile, hardwood floors, kitchen cabinetry and more. See ad in the CCA Texas CURRENTS newsletter for more details or call 1 (888) 549-6785.

**2012 PRIZE LINE-UP**

– This year’s contests have a chance at winning over 100 prizes including trucks, boats, motors, trailers and college scholarships in the following categories:

- **Texas Ford Dealer Redfish Division**
- **Texas Ford Dealers continue to make this division the “Best in Texas”!** They will again give each of the first five registered STAR participants who catch tagged redfish a brand new truck to get to their fishing destination in a tough, dependable and stylish ride. The first five registered anglers to weigh-in a tagged red will receive a 2012 Ford F-150 “Texas Edition” truck. Haynie Boats returns with the awesome Haynie 23 Bigfoot rigged with a Mercury 150 L OptiMax! A Coastline Trailer completes this amazing package. The next five weighed in will receive the same boat, motor and trailer packages.

- For young anglers not of legal driving age and who reel in the famous tagged red, he or she will receive the boat package plus a college scholarship, in lieu of the truck.

- **TROUT DIVISION**

- With winners in the upper, middle and lower coast regions, each winning angler will take home the **Shoalwater 22’ Legend**, “Truly a Texas Legend”, powered with a Mercury 150 L OptiMax and McClain trailer. SPECIAL NOTE: If you’re unsure a trout is large enough to qualify, consider this “easy rule-of-thumb” - if length is less than 27 inches, chances are it won’t meet the eight pound minimum weight requirement for the Trout Division. Unless you intend to mount your fish as a personal best, why not think about releasing something that might not make the cut so she can reseed the bays.

- **OFFSHORE DIVISION**

- Blue water anglers who land the heaviest kingfish, dorado and ling (cobia) will each win the awesome Explorer by Dargel 216 Blue Water Series boat prize to cruise the big waters along with a Mercury 200 XL OptiMax outboard and McClain trailer.

- **INSHORE DIVISION**

- Each winner that reels in the largest flounder, gafftop and sheepshead will be handsomely rewarded with Blue Wave’s 180 V Bay boat completely rigged with a Mercury 115 ELPT OptiMax outboard and McClain trailer.

- In the past fifteen years, $4,345,000 in college scholarships has been awarded to fisher-kids across the state. And 2012 continues to offer plenty of reason for everyone to round up their kid(s), a rod and reel and head for the water.

- **CAPITAL FARM CREDIT STARKID SHEEPSHEAD DIVISION**

- This division gives entrants age 6-10 a chance to win a $20,000 college scholarship for the largest sheepshead caught throughout the summer.

- **FS HOUSTON/FS SOUTHWEST STARKID GAFFTOP DIVISION**

- This division gives entrants age 6-10 a chance to win a $50,000 college scholarship for the largest gafftop caught throughout the summer.

- **HOUSTON COMMUNITY NEWSPAPERS STARKID SHEEPSHEAD DIVISION**

- This division gives entrants age 6-10 a chance to win a $50,000 college scholarship for the largest sheepshead caught throughout the summer.

- **ACADEMY SPORTS & OUTDOORS STARTEENS TROUT DIVISION**

- This youth scholarship division is open to all New Tide members ages 11-17 and awards a $20,000 college scholarship for each fisher-teen with the largest trout in the upper, middle and lower coasts. SPECIAL NOTE: The minimum weight requirement for the trout division is 27 inches. Trout measuring 25 inches or less probably won’t meet the six pound minimum weight requirement for the StarTeens Trout Division. For all fish weighing less than six pounds, if no intentions of mounting young angler’s prize catch, please take a quick picture and immediately release back into the water.

- **TIME WARNER CABLE STARTEENS INSHORE DIVISION**

- This youth scholarship division is open to all New Tide members ages 11-17 and awards a $50,000 college scholarship for each fisher-teen with the largest flounder, gafftop and sheepshead statewide.

- **But Wait, There’s More…**

- **RUNNER-UP PRIZES**

- The first through fourth runners-up in all divisions will receive various gift certificates from Academy Sports & Outdoors.

- **“NEW TIDE” MEMBER DRAWING**

- The “New Tide” Scholarship Drawing will be offered again in 2012. “NewTide”/STAR participants at least, 6-17 years old in 2012, are eligible for a bonus drawing that will net one lucky youth a $20,000 college scholarship even if the participant never wets a line or enters a single fish during the entire tournament.

- **MEMBER BONUS DRAWING**

- This unique drawing offers STAR entrants a chance to win a fabulous boat prize package even if the participant never wets a line. One lucky contestant’s name will be drawn to win a Shoalwater 22’ Legend model with a Mercury 150 L OptiMax outboard and McClain trailer.

- Please don’t forget to thank our wonderful sponsors for their loyal support… return the favor by remembering them when making your purchasing decisions. They make this wonderful family event possible. Major sponsors for the 23rd Annual CCA Texas/STAR Tournament include: Texas Ford Dealers, Tilson Home Corporation, Capital Farm Credit, Mercury Marine, Academy Sports + Outdoors, Whataburger, Shipley Do-Nuts, Ozarka, Coors Light, Houston Community Newspapers, Fox Sports Houston, Fox Sports Southwest, Time Warner Cable, Haynie Boats, Shoalwater Boats, Explorer by Dargel Boats, Blue Wave Boats, Texas Fish & Game Magazine, Costa Sunglasses, Texas Oilman’s Charity Fishing Tournament, Houston Astros, Coastline Trailers, McClain Trailers, Chris’s Marine, Mt. CCA welcomes a new STAR sponsor with a longtime conservation ethic

Capital Farm Credit

Capital Farm Credit shares the Coastal Conservation Association’s dedication to the enjoyment and conservation of our natural resources. Through our lending operations, we strive to promote our members’ best use of land and fisheries in their agricultural, commercial and recreational activities.

Having provided financing to farmers, ranchers, agribusiness firms, aquatic producers, country homeowners and other rural property owners since 1916, we understand the fulfillment that comes with living and working in the outdoors, and we understand the challenges of caring for the land and earning a living from it.

As the largest rural lender in Texas, Capital Farm Credit has the capacity to help with a wide range of rural financing needs. We service 192 counties throughout Texas including the entire Gulf Coast. Our large reach and diverse portfolio puts us in a position of financial strength that enables us to provide reliable credit to agricultural and recreational landowners and outdoor enthusiasts. Lending extends across farms and ranches, recreational properties, country homes, agricultural equipment and livestock.

Our customers cooperatively own Capital Farm Credit and share in our success. We recently returned a record $126.6 million in a patronage refund from our 2011 earnings. This cooperative approach to doing business, combined with our lending expertise and love of rural America, makes Capital Farm Credit the No. 1 choice in rural financing.

We salute CCA Texas STAR’s support of Texas’ youth through education and scholarship programs and are proud to support such a worthwhile organization.

Director’s Note: For several years, CCA has reserved the Co-Title in STAR for just the right outfit, and we found the perfect fit into our fine family of STAR sponsors. Capital Farm Credit was conservation-minded before it was “trendy,” supporting Texas Wildlife Association and Safari Clubs in both Houston and Dallas for years. We know many of you are already members of this outstanding co-op, and we are honored to have an outfit of such integrity joining our work. When you’re ready to make your dream of “escaping the big city” a reality, you might want to take a look.
—STAR Tournament Director, Bill Kinney

CCA Texas reefing programs build on successes

CCA’s commitment to marine habitat continues to grow

CCA Texas recently committed $100,000 to a new 160-acre nearshore reefing site located out of Packery Channel near Corpus Christi. This reef will be built in approximately 70-feet of water and will provide vital structure and easy angler access from popular offshore ports including Port Aransas and Corpus Christi.

“CCA Texas is proud to partner with Texas Parks and Wildlife Department and others on this project to create this habitat and provide much-needed recreational offshore fishing opportunities,” said Jay Gardner, chairman of CCA Texas’ Habitat Today for Fish Tomorrow program. “CCA Texas has already committed $400,000 to Texas reef projects along the coast, and that number will continue to grow.”

This new mid-coast reefing site will have all necessary permits in place in the coming months and TPWD is initiating the bidding process to begin the first phase of placing reef material. Once materials are placed, they will provide the valuable structure needed to sustain and enhance Gulf reef fish species, including red snapper.

“CCA Texas has long been known for successful efforts in advocating for marine conservation along the Texas coast and in our state’s capitol,” said Mark Ray, CCA Texas chairman. “But, thanks to the thousands of volunteers and tens of thousands of members, CCA Texas’ habitat efforts are taking the organization’s positive impact on our shared coastal resources to a new level.”

CCA Texas’ Habitat Today for Fish Tomorrow program (HTFT) provides much-needed funding for the restoration and enhancement of coastal marine habitats. The program has funded marsh grass enhancement projects, in-shore and offshore reef creation and vital estuary restoration that span from Port Mansfield to Sabine. Through CCA Texas’ successful fundraising and membership efforts, HTFT has grown to become one of the largest programs of its kind.

Port Mansfield reefing project, August, 2011: Jeff Dean of Dargel boats and John Blaha are dwarfed by a few of the huge concrete culverts that are now habitat for offshore fish. The locale: N 26° 31’ 59.7”, W 097° 09’ 62”, 64.1 feet. At that waypoint, Dean, Blaha and Caldwell found a sailfish waiting. Photos, Sam Caldwell.

Target slicks politely—courtesy is catching

In June and July, when the wind finally dies down, the action under the birds will be to die for. Remember to be polite when you drift into an action area, whether in Galveston Bay or Sabine Lake. In either region, successful fishermen will target slicks. When soft winds and calm water prevail, Sabine Lake from the Causeway to the islands on the north will be good choices for drift fishing. On the shallows of either Galveston Bay or Sabine Lake, live shrimp and/or certain lures can be payoffs for limits. Go for topwaters early, like She Dogs and lures of bone and chrome. I like Bass Assassins in the 4-5” Sea Shad, and the (strangely-named) Die Dapper 5” paddle tail.

But remember, the Texas coast is a huge and diverse region—consider the ship channel. There’s a great stretch South of the Causeway to the North end of the lake with flats full of topwater shallows.

And there are the jetties, Sabine Pass and Galveston, where an angler can dodge unfavorable winds, as well as find action on Spanish mackerel, massive redfish and big speckled trout. Anchor up and work the boulders. Out of the jetties, the past couple of years have been excellent for the “Short Rigs,” near-shore areas that on calm weather times can provide excellent fishing for snapper as well as bigger fish. Of course, you will know before you go, whether it’s offshore or thirty yards from the launch ramp, and remember that courtesy is catching. —Capt. Dickie Colburn 409-883-0723 www.sabineconnections.com

Middle Coast
By Capt. Bill Pustejovsky

Topwaters early, live bait deep later

Midcoast fishing in June will find me camping out in East Matagorda Bay, simply because that’s where the diversity of great fishing will be—in my region of the Texas coast, anyway. Through June into July, you’ll find intense trout fishing, whether wading or drifting, in the mid sections of East Matagorda Bay. On the reefs—check your maps—Half Moon, Bird Island will be productive. A fine place to start will be Three Beacon reef, all by itself in the middle of the bay. But nearby is Long Reef, another top producer of BIG trout. Wade fishermen will of course locate the right areas on your charts, and fish accordingly. Addicts of topwaters will have success early in June on She Dogs, Super Spooks and broken backs, but be sure you bring along a few of my all-time favorite fish-getters, Bass Assassins. Hot Chicken and Chicken On A string work well. Bone Corkies are good. Of course, redfish will be shoulder to shoulder with those trophy trout, but shallower.

As hot weather takes over in July, consider The Wells, where live shrimp produce best. Watch for “Buoy Fish,” the delectable triple tail. We have seen triple tails up to 30 pounds. Of course, when conditions are right, the surf can be a magnificent place to stay cool and enjoy hot fishing. A beach pass is required, but cheap and easily available—check your local townships.

Capt. Pustejovsky says he is happy to work with and teach new anglers in the region. And, he enjoys fishing Port Mansfield waters, where he notes that the “Just Take Five” regulation seems to have produced some extraordinary fishing. — Capt. Bill Pustejovsky / Gold Tip Guide Service / 979-863-7353 www.goldtipguideservice.com

Lower Coast
By Capt. Mike Lowe

Intracoastal trout early, then go shallow for reds

The springtime days in Lower Laguna were filled with windblown flats and tough days on the water. When the conditions were right, (which wasn’t often) the fishing was incredible. With the five fish limit here continuing to improve the quality of our fishing, our expectations for the summertime are high.

The landscape of our bay system has changed since the massive freshwater influx we received a few years back. There is less grass in some places, and grass in others that never had it. The new areas of grass seem to be holding fish and are not the usual spots people frequent. Try scouting some news areas this summer.

Trout have been right off the intercoastal in 2-4 feet of water in scattered grass. With the hot days ahead, I don’t see any reason why they will be moving. These areas give the fish access to feeding grounds and the refuge of the deep cooler water of the “ditch.”

Redfish are a different story this year. It’s a here today, gone tomorrow scenario. I’m hoping they will get in more defined groups by summertime. Be looking for them on the flats both north and south of the east cut.

Sometimes I have to run 10-15 miles before locating a decent size school. But once I locate them, I can usually stick with them long enough to pull some good fish out. When planning your trip try and hit the edge of the intercoastal first thing in the morning and wait until later in the day to chase the reds.

Good luck out there and be safe. —Capt. Mike Lowe / 713-818-1296

We held our annual banquet/fundraiser on March 29 in Clear Lake and had a great event. The crawfish were outstanding and the beer was better than that, we beat last year’s figures, beat our budget and had a great turnout. There isn’t room here to list all our sponsors and donors but some major ones were Academy, Del Papa, Kroger, Dirty Third Outfitters, and McRee Ford. We are planning tournaments and monthly general meetings and have some great speakers lined up. On April 23rd we had Robert Sloan speak on April Fool’s and Robert is great outdoorsman and sportsman. His talk was very interesting and informative. Stay safe and good fishing.

Currently our 2012 banquet totals are being calculated and we are expecting the best banquet we have ever had. We would like to thank again Beef O’Brady's for being our title sponsor. We helped again with the Port Of Freeport Take a Child Fishing event. The smiles on those kids faces was worth more than words can explain. I had the privilege to present Colton Roeder with his STAR tournament scholarship at senior awards night for Brazoswood High School. He won the star teens trout division back in 2004 with a trout weighing 11oz. The star tourney is nearing. Better get signed up — you just might be the lucky one this year.

We express our appreciation to all the participants of the 13th Babes on the Bay Tournament. We thank all of the sponsors, vendors, volunteers and last but not least, Karol Scardino, tournament director, for their commitment to supporting the Babes on the Bay, the largest all-woman’s fishing tournament in the world. We hope that you will make a special effort to join us next year.

Our annual banquet will be on August 11 at the Paws and Taws Vention Center in Fulton, Texas. Looking for additions from Michelle Green, banquet chairperson, in upcoming Currents. Tight lines — Carter

Austin

Scott Sanderson 512-637-1757 scott@mbsquoteline.com

As I write this, the Austin chapter 2012 banquet is only 4 days away, and it will be a dandy. Our sponsors’ support has been phenomenal and table sales have been far ahead of last year’s pace. Thank you everyone for helping us raise money for the conservation of our Texas coastal resources! The entire board has worked hard to put on CCA Austin’s 33rd annual fundraiser for you and we look forward to showtime.

Our Anglers’ Night Out events, which are open to all, are coming to grow and take on a life of their own. In March we had KT Townsend, of the TV show KT Diaries, in to teach us about tarpon fishing on the Texas coast. KT brought some awesome videos and the 200+ fellow fishermen/women who came out were treated to an informative and entertaining show.

Our next ANO will be July 18 and we are REALLY excited to have Captains Sally and Aubrey Black coming as our guest speakers. Plan to come out early. Sally and Aubrey are certain to be a big draw. Like always, we will have a great raffle with prizes and gear from Yeti, TFO, ACO, Sportsman’s Finest and more. And don’t be surprised if there’s a shot at a Capt. Sally or Capt. Black trip that night.

ANO is always at Abel’s on the Lake with food compliments of Smokey Denmark Smoked Meats. Remember, these are FREE, ladies and children are welcome, bring a friend and ask them to join CCA. You don’t have to be a member to come enjoy these really fun nights with your fellow Austin anglers.

We said for a while that our 2012 Banquet Boat was a 21’ Shallow Sport Bahia and that the raffle tickets were a hot commodity. We aren’t crying wolf — boat tickets were a sellout weeks before the banquet. Remember that next year when we have another boat that will no doubt make your eyes pop! Thank you to our boat Sponsors, Firestone and Bart Witts, and also to Cabella’s for letting us moor our dream boat in front of their Buda location. The Austin Junior board is growing and wants you to come aboard! See their note below. Be sure to Friend us on Facebook by searching Coastal Conservation Association Austin Chapter. It’s a great way to keep up with everything going on in the Austin Chapter and make sure you don’t miss a thing. Good luck on the water this summer and see you at ANO in August. Warm regards, — Scott Sanderson scott@mbsquoteline.com

AUSTIN JUNIOR BOARD

The Austin Chapter Junior Board’s mission is to get kids involved early in conserving the coastal resources that we all love. We started the junior board two years ago with the idea of creating a board for young adults ages 13-18 and are always looking for new members interested in fishing or conservation!

This year we have been focusing our efforts on assisting the Austin chapter with its annual banquet. We prepared the 900 ball red table gifts and bundled over 10,000 raffle tickets! And there’s still plenty more to do. Each year we lose part of our junior board as we go off to college and move on in life, so we always welcome new members that are interested in CCA and will carry on the Austin Junior board. Please let either us know if you are interested in joining or have any questions! Thank you. — Joseph Sanderson, President jcmac22@yahoo.com / Sam Appling, Vice President samapplings@gmail.com

Our 36th Annual Central Houston banquet on April 19 at the Bayou City Event Center was a banner event. We’re still crunching the numbers, but it looks like the best banquet from a fundraising perspective in recent memory.

We’ll be scheduling some Anglers’ Nights Out and other events in the late summer/early fall, so keep your eyes peeled. Also, mark your calendar for the 37th Annual Central Houston banquet. It will be held on April 18, 2013, at the Bayou City Event Center. If you’re interested in becoming involved in the Central Houston Chapter, please contact me at tbuster@busterandcogdellbuilders.com. We just completed our annual banquet on April 26. Great turnout, great evening, thank you all for your support! As President for two years, I have thoroughly enjoyed serving our chapter, it has been an honor. The reins have been turned over to our new President, Craig Jones and Vice President Elect Robert DiCicco. Our chapter is in very capable hands moving forward. Congratulations to both.

I want to thank all of our table buyers, donors, attendees, and the Dallas Chapter Executive Committee for your steadfast support of CCA Texas. You all made your banquet a success this year. Our executive committee is comprised of a great group of CCA members who for several years have gone above and beyond with their time and energy to promote CCA in the Dallas area. I would estimate that 90% of our auction items were 100% donations provided by our friends and members supporting the CCA Texas cause. I would love to list them all but space won’t allow. Please find a way to support the donors and sponsors located in the program – they are owed our reciprocity.

That being said, I feel it is important to thank our first annual Sportsman/Conservationist of the Year Gary Loomis for finding the time to share with us in accepting this honor. Several more include Sam Caldwell for his tireless conservation ethic in donating a Caldwell original. Rick Pope of Temple Fork Rods (www.templeforkflyrods.com) for the donation of our table gifts and signed Gary Loomis rods to those purchasing life CCA memberships the night of the auction, Big Billy Kinder, Big Billy Kinder Outdoors (www.bigbillykinderoutdoors.com) for releasing me off the hook as our very talented emcee. accurately record the results in 3 age divisions. Kudos to Texas Parks and Wildlife for their staff work involved in stocking the city park lake with hungry fish. If your chapter is not involved in putting on one of these events, you are missing a fantastic opportunity to turn on a bunch of kids to fishing. Most of these kids will probably have the opportunity to wade the King Ranch shoreline or soak croakers along Traylor Island or fish an inshore tide. Thank you to Hannah's Reef. Anything we can do to get them involved in our sport and cause is special stuff. We held our banquet April 27th. Pit masters Billy Cox and Dan Hafner were helped by Bill Kaczymski, Marty Smith, Frank Still, Rusty Sanders, and Jim Norman in the preparation of brisket, pork shoulder, and chicken for 200. Special thanks to Clear Springs Restaurant and Butcher Boy Restaurant and Pilgrim Pride for sponsoring the meat and sides for the banquet. If you came to our banquet, you are registered as a member of the East Texas Chapter. We continue to do all the banquet work and other projects with a core group of 10 -12 members. If you want to help out, we need you. We meet once a month usually at Clear Springs Restaurant on the first Monday of the month. We work on CCA business and spend some time telling fishing lies, showing off pictures of recent catches and planning future trips. You don't have to have a boat, just an interest in coastal conservation. We are currently working on our summer fishing tournament. If you are interested contact me — Jim Norman.

We have just wrapped up our 26th annual banquet and what a great banquet it was. We had around 300 in attendance this year and would like to thank each and every one of you for your generous contributions and support. This year’s Grand Prize was a $9.11 HP-E.T.EC from Sport Marine in Richmond, Tx., with custom aluminum work and trailer from S.A.W. I’d like to thank JC Performance Boats and Sport Marine in Richmond for all they did for us on this year's boat, what a great group to business with. I’d also like to thank Terri Bumpers Design Sign in Rosenberg for all that she has done for us for several years now and a special thanks to Steve Onstad and The Swinging Door in Richmond for allowing us to hold our monthly meeting there all these years.

Our new chapter officers take seat after our banquet each year and I'd like to welcome them: Chapter President — Clint Shepard; Vice President — Garren “Pugs” Schmidt; Secretary — Robb Gaston; Treasurer — Mike Gamble. This is a great group of guys with some great new ideas for our chapter. Good luck! I'm looking forward to sitting on the other side of the table for a while. Thanks to all the committee members that surprised me at the banquet with the thoughtful plaque and new VETI cooler.

Special thanks to last year’s officers: Vice President — Garren “Pugs” Schmidt; Secretary — Robb Gaston; Treasurer — Clint Shepard.

We had our banquet May 18th, and it was a great success. Pure Cajun did a fabulous crawfish — good size and very tasty, and Seafood Lover provided the oysters, straight out of East Galveston Bay! Very nice touch. Thanks to Kizziahs Construction for buying the director's tournament trip, and just around and donating it back so it could be sold again! Muchas Gracias!

As of this writing (May 1st, 2012), the temperature has been fabulous on the upper Texas coast, but the winds have been howlin’. I have heard a few reports that if you can get off in the marshes and protected areas, there is no shortage of redfish. Trout and flounder are a bit trickier — that is from what I hear anyway. The Sabine jetties and ship channel have been fruitful as well — I hear.

The 2012 S.T.A.R. tourney will begin soon, and from the looks of the banquet participation so far, it ought to be a good one. The RVG, Corpus, San Antonio, and Houston chapters have had record crowds for their banquets, and we here at the Golden Triangle chapter are looking forward to ours next week — May 10th. It is hard to believe that we are looking at the end of another spring, and the beginning of another summer! Pray that we don’t have another drought like last year — EVER! And get out there and GO FISH — Catch ya’ one! — Rocky Chase

We had our annual banquet April 12 at Missouri City Community Center. What a night it was! Wouldn’t be able to write how proud I am of the chapter members that helped with the banquet. Very special thanks to Kathryn Cavender our Banquet Chairman for all that you do for our chapter. Thanks to all of the sponsors that helped make this the biggest and Best event. The crawfish and catfish were outstanding, thanks to Chris Hahn. The winner of the Texas Pride Cart is David Tusa of Sugar Land.

We had a great Kid Fish event at Sea Center Texas Lake Jackson. A special thanks to Houston Elks Lodge 151 for buying the kids out and providing all the shirts, drinks, food, and rod and reels for the kids. All the children are special needs children and to see the kids fish for the first time ever was a rewarding experience. May 2, we held our Regular meeting at Spring Creek BBQ. Thanks to Capt. Bill Pustejousky of Matagorda for sharing his fishing expertise with us.

May 12th we held our fishing for kids in New Terri- tory, Sugar Land. May 12, Sugar Land Chapter is having family night out at the new Skeeter’s Ball Park thanks to KEITH BAUMAN. We welcome you to visit our monthly chapter meetings, held the first Wednesday of each month at SPRING CREEK BAR-B-Q on HWY 6 in Missouri City at 7pm. We had 80 or more people at the March meeting, 10 being youth and teen. We raffled off a flounder trip with Capt. Dan Pike of Rockport. Doug Webb was the lucky winner! We had four vendors showing great products, Austin Kayak, Creative Eye/Costas, Rust Game Place, and Reel Improvements. Each vendor gave a gift certificate or product valued at $100 or more for door prizes. The Meet- ing Committee did a great job with the door prizes and got- ting Norm Boyd as our guest speaker. Norm gave the group some interesting fisheries data on relating to population trends of certain species.

The meeting at the New Braunfels Elk’s Lodge. Our guest speaker was a TPW Game Warden who spoke on the fisheries. We raffled off a flounder trip with the Night Stalker in Rockport. There was food, libations, "fish stories", exhibits and great door prizes. Doug Webb, former president of the Hill Country Chapter, is heading up new project that will put Tide magazines and Rising Tide in every school in the New Braunfels ISD and Comal ISD, and Sterling Schulz is cover- ing the Seguin ISD. Please save all of your Tide maga- zines! We will collect them at meetings or you can drop them off at the Radio Station, KCNB KNBT, on Loop 337 in New Braunfels. We are looking for a Sponsor to provide RISING TIDE magazines to the schools, too. Are you interested? IS THERE A NEED FOR A BOATING CLASS? We are considering hosting a Boating Class for CCA members and non-member fresh water recreation boaters. Is there a need? Let us know! Contact me at darleneec@knbt.fm or 830-214-3067.

The Family Fishing Tournament is June 16th and will be held in Rockport. The dinner and awards will be held at Dripper’s Resort on Business 35 south of downtown Rockport. You can purchase your tickets at the May meet- ing or contact Chris Lange at 832-214-5646 or Josh Downey at 830-708-2986 for tickets. If you can’t make the meeting someone will be at Cove Harbor Friday night, 7-9 pm, and you can sign up then. Or you can request a tournament flyer and mail in a check as long as we receive pay- ment by June 6, 2012. As usual families are always encour- aged to attend the tournaments and the meetings. The Fall Family Tournament will be October 13th. For more infor- mation on the Tournament contact Shane Justus at sj@coopwood.com or call 832-214-5646 or Josh Downey at 830-708-2986.

Houston Real Estate
Dale Couch 281-953-2510

The Houston Real Estate Chapter held its 3rd annual banquet in February at The Houston Country Club. The chapter is largely composed of home builders, land developers, mortgage and banking executives, and other real estate oriented individuals that are all motivated to help CCA preserve our natural coastal resources.

The latest banquet was very successful and highly attended with many auctioned hunts and fishing trips donated by CCA Board members at no cost to CCA. The bidding on these trips was motivated by the opportunity to hunt or fish with one of the board members. In addition to our three annual banquets, the chapter hosted its first fishing tournament last October in Matagorda. We will continue building on our success with the annual banquet and fishing tournaments that promote interaction with executives in the real estate business. Hope you are doing well!

Banquet Time for your Katy CCA is just around the corner, June 14 at Agave Road in Katy. Everyone already needs to have made your plans to come. I can guarantee a great time for all, good food, good drinks, and some great auction items. If you need tickets for the banquet, which still are a great bargain at $50, which includes your CCA membership, or raffle tickets at $200 for our 13 gun raffle. You can contact me at 281-924-7040, Gary Mancini 281-830-2212, or Matt Still at 713-626-6222.

On June 30, CCA is sponsoring the Concert for Conservation at the Schlitterbahn Waterpark. It features Pat Green with Jerry Jeff Walker, Sammy Kershaw and Gene Watson. You can go to CCA TEXAS ORG for tickets.

If you can help with ticket sales for the banquet, or ticket sales for the gun/Yeti cooler raffle, or just need information, call Jerry West 281-315-3207 or Ronnie Bose at 979-429-0457, or Robbie Noster at 979-241-8598.

REMEMBER! The Lower Colorado Chapter meets every first Tuesday at 6:30 pm. Check the Bay City Tribune Tickets column for location. Come early and share a meal with us. Chapter members get involved with your chapter. Come to meetings and bring a friend. In the meantime, keep those lines wet. —John Kubcka/Secretary

As of now the Mainland Chapter is getting ready for our banquet on May 4th, which puts us in-between the Currents publications for June and July. There will be more to come in the August issue.

I would like to speak about a board member, Floyd Cheatham, who not only is very active with the chapter but took time out of his day, and made a mess out of his boat. He was able to pick up 66 derelict crab traps by himself when it was legal to do so and also hauled in a hard work and getting those traps out of the water. —Eric 281-534-6242

The 27th Annual Matagorda Bays CCA Banquet will be held on Thursday June 28th at the El Campo Civic Center. This year’s boat raffle will feature a really big 21’ Trans Sport XLR8 LS w/ 130 HP Suzuki & Coastline Aluminum Trailer. Thank you to our boat sponsors, Tran Sport Boats, Aluma Tech, Suzuki Motors, and Coastline Trailers for their support.

This year’s live auction will feature Stainless Steel BBQ Pit from Multi Fab Metals, Argentina Dove Hunt from Frontera Wingshooting, Matagorda Bay Fishing Trip & Lodging donated by Sunrise Lodge on Matagorda, Bink Grimes’ & Mark Talasek, and many other items. Don’t forget about the CCA Banquet on May 19th at Lower Laguna Madre CCA Banquet. Thank you to our boat sponsors, Tran Sport Boats, Aluma Tech, Suzuki Motors, and Coastline Trailers for their support.

We are pleased to announce that for the third year in a row, the Game Warden of the Year will be recognized at our banquet. To be awarding one of these fine folks at our banquet is truly an honor. Be sure and get your tickets early, the banquet has sold out the past three years. You may contact Wesley Smolik at 979-543-2723 for more details.

The 7th Annual Matagorda Bays CCA Ll’ Salties Fishing Blowout was held on May 12 at the Matagorda Harbor. This is a FREE TOURNAMENT FOR KIDS between the ages of 3 and 14. This event has averaged over 200 kids for the past 5 years and it is only possible because of the generous donations of our sponsors. Thank you again to all of the sponsors who make this event a huge success and to our Event Sponsors: D A M Services Inc, Prasek’s Hillie Smokehouse, Backup Utility Contractors, Inc, Polasek Construction Inc., Cedar Creek Woodshop, Vonder Ford, Mustang CAT, and Quality Hot Mix, Inc. Saturday, April 21, we held our annual Crawfish Boil Fundraising Banquet at the Humble Civic Center Outdoor Pavilion. It was an amazing success! It was catered by our local Zydeclaws crawfish company with all the trimmings!
We had some amazing raffle prizes and silent auction items donated by The Rod and Reel Repair Center, Fiesta Azteca Mexican Restaurant, GRANGER CHEVROLET as our Platinum Sponsor for 2012. The Bridge City Community Center will be packed with everyone enjoying ribeye steaks cooked by Orange’s very on Mike Lemone of SPANKY’S BAR & GRILL. As I type this article, only a few tickets are remaining, so some people will have to wait till the 2013 banquet when we will expand to a larger facility. It may be time membership in CCA. For those who purchased memberships that evening received CCA soft sided coolers, two CCA tumblers and $300 worth of raffle tickets for $975.

On May 19, the chapter sponsored the annual Kids Fish. It was held at the Eberly Ranch in Chappell Hill. Thanks to the Eberlys for the use of the lake and facilities.

On June 30, we are having our first annual Prairie Chapter Bay Blast Fishing Tournament, which will be occurring at the Matagorda Harbor. Entry fee will be $65 per team. This is a non-profit tournament to give back to Bay Systems. There will be prizes for six (6) places for trout, red fish, and flounder. The tournament is open to the public. For more information contact Travis or Amy Herbrig at 979-877-9917 or e-mail: aherbrig@hotmail.com — Ron Chess, Sr.

The annual “Take a Kid Fishing” event will be held the first weekend of June at Woody’s Sports Center in Port Aransas. On Friday night, June 1, there will be a shrimp boil and sign up, and kids that can’t make it Friday night can sign up on Saturday morning, June 2. Each fisherperson is given a free rod and reel. The award ceremony will start around noon on Saturday with trophies for all kids. Thanks in advance to the TPWD folks who help the kids fish, and help us measure and weigh fish. In addition this year, IHOP has agreed to give each kid a free kid’s meal. This is a great event for future fisherpersons!

The Annual Redfish Bay Chapter Banquet was held on April 28, and it was a great success that exceeded our expectations! Thanks to the Redfish Bay Chapter Board and our CCA Texas staff for the planning and work that make events possible. Our attendance was much higher than 2011 (no final count yet). We had tons-of-fun while supporting a great organization – what a great way to spend the evening. Special thanks to Chris’s Marine as our Title Sponsor and our other sponsors and donors as well as the attendees. We just cannot have a Banquet without the local people who support us – thank you again! — Norman Oates

WHAT A NIGHT! On Thursday, April 5, the chapter hosted our 15th annual fund raiser banquet which was held at Cat Spring Hall. This year we completely sold out of tickets for the event. There was a “cape and gun” raffle of eight guns, and for $20 you got your choice of a cap which had a card attached. If your card was won, you won that gun. Also, there was a dollar raffle for a pistol. The evening started with a prime rib and quail dinner catered by Jerry Mikeska of Columbus.

We would like to thank Mart Switzer and his team for presenting the Live Auction, which included fishing and hunting trips, framed prints, plus many more great items. There was also a silent auction of many donated items. Also, there was a $5 bucket raffle which was sold throughout the evening. by Mandy Goebel, Erin Beamam, Jennifer Flemije, Amy Herbrig, Lori Cruz and Cassie Kasprzowicz. We thank them for their help. Thanks, also, to Joey Pawlowski for managing the raffle. Many thanks to those who donated caps. We appreciate their generosity.

Also, thanks to the corporate tablet sponsors. Without the corporate tables and Kirk Hoppe’s direction we would not be as successful. Also, we want to thank the sponsors for the table coolers – Select Quality Systems, Wittenburg Printing, and G. W. Goebel & Sons & Granddaughters. Plus, we would like to thank Mark 111 and Cool Blue Fans for donating the koozies.

We would like to express our thanks to both Houston Distributing and Academy. They are active sponsors of our meetings and many events. We are especially fortunate to have such great support. Our speaker at April’s meeting was Bill Balboa, Galveston Bay Ecosystem Leader with Texas Parks and Wildlife. Bill has spoken to us in the past discussing changes in Galveston Bay since Hurricane Ike and the results of the gill net surveys to date. He continues to give very informative and entertaining presentations.

We also celebrated our annual Member appreciation fish fry at the April meeting. We had a large turnout to new memberships, sign up for the STAR tournament, enjoy both plenty of fish and a great speaker program.

Our annual Fund Raising Banquet is scheduled for August 16th. Please get your tickets early. You can count on a great venue and evening program.

Our next General Members Meeting is June 5th at Houston Distributing. We have arranged to have Scott Jones, Galveston Bay Foundation’s Director of Advocacy in this capacity. Scott guides the Foundation’s efforts to serve as the watchdog for Galveston Bay. Scott ensures that the Foundation is an active participant in the public review of projects, initiatives and issues that impact the estuary – from individual wetland dredge and fill projects to protecting seafood consumption safety to influencing freshwater inflows standards – by attending public meetings and submitting written public comments. Scott works with stakeholders and the public encourages balance among the multiple uses of Galveston Bay so that the long-term interests of the bay itself are not compromised.

Our sincere thanks to both Houston Distributing and Academy. They are active sponsors of our meetings and many events. We are especially fortunate to have such great support. As a reminder, we are using email for meeting announcements. Several members of the POC chapter traveled to Victoria on May 4 to join the MCR chapter for their annual banquet, as well as visiting with members of the other chapters. Our chapter held a combination general membership meeting and a 2011 banquet appreciation meeting on May 17. Thanks, Carl and Pam Ray for hosting this, as well as those who helped and prepared the meal. If you could not attend this meeting, a proposed slate of officers, along with an updated 2012 banquet committee list will be presented to the membership at the next meeting. So, if you want to get involved, it’s not too late to volunteer. The 15th Annual PCC OCA Banquet is still slated for Saturday, October 20th.

Also, many reading this will be in the POC area on July 18-21 for Poco Bueno. Come by and visit some of our banquet donors. See you at POCO in POC, “where it all began.” — Bill Moore

The RGV Chapter recently held its 32nd Annual Banquet. This year’s banquet was held on April 26 at the Pharr Events Center. The winner of our 210 Explorer Attacka Flats boat with motor and trailer was Rolando Ramirez of San Antonio. We would like to once again thank L & F Distributors for their continued sponsorship of the RGV Chapter raffle boat. Also thanks to Clev Ford and his crew over at Dargel Boats in Donna, TX for their support of the Rio Grande Valley Chapter. The banquet evening was enjoyed by all who were in attendance and the food was great courtesy of Don Strange Catering. Now that the banquet is behind us some of us will now look forward to getting out on the Laguna Madre and harassing a fish or two. A special thanks also to the Rio Grande Valley directors who all put in extra effort to make this year’s banquet such a success. The chapter is always looking for fresh faces to help so if you are interested in joining the RGV Chapter feel free to give me a call at 956-642-7965 to join. — Matt Klosterman

On May 19 we held our 2nd annual Kid Fish. We had a very good turnout, our future anglers had a very good time, to see the look on the kid’s faces when they came to the scales with their catch is priceless. We look forward to making this event grow. Last year we had 10 young anglers show up and we more than doubled that this year. We didn’t have this without the support of our volunteers and sponsors: Daley’s Hunt and Fish, Anelet’s Cajun Market & Marina, Causeway Bait & Tackle, Classic Chevrolet of SE Texas, and Texas Marine.

Congratulations to the Golden Triangle for their successful banquet on May 10th, certainly a good time had by all! Tight lines to all! Be safe on the water! — Darin Johnson

Another incredibly successful banquet is in the history books. Many thanks to all the volunteers led by our ban- quet chairperson Liz Hewitt. Attendance was up this year, as we held our 33rd annual fundraiser on May 3. We owe a big thanks to Don Strange for providing the fine table fare of fried oysters, boiled shrimp, tenderloin, fried quail, their signature white wings, ceviche filled avocados and so much more. They are always on top of their game. Big winners walked away with a new Harley Davidson, compliments of Coors Light, a new Haynie Boat, sponsored by Anheuser Busch, a John Deere Gator XLV550 S4, sponsored by John Deere, and a custom safari hunting truck, sponsored by Corona beer—built by Tausch Tough Trucks and Anthony’s Planet Pickup. Thanks to everyone who came and supported CCA that night. If you got your tickets last minute this year, don’t wait so long next year. We were sold out to capacity this year and I’d hate to think we might have to turn someone away. So next year, get your tables reserved early.

Immediately following the banquet on May 5, the San Antonio chapter sponsored a float in the Helotes Cornyval Parade. We had 13 young New Tide members representing CCA. Sail & Ski generously loaned us the only float in the parade that would actually FLOAT. The kids had a great time and we flew the CCA flag in front of tens of thousands of onlookers. Sticking to the “corny” theme, the kids dangled ears of corn from the ends of their fishing poles over the side of the boat. The crowd loved it.

Now that the banquet is over, it’s time for me to go fishing. I hope that you all get to do the same. Take a kid fishing. It will put a smile on their face and yours. — Johnny Rayburg

At Anheuser-Busch, focusing on environmental sustainability is a key issue. The company operates efficiently to reduce water and energy use and increase recycling in its facilities across the country. As part of this commitment to conservation efforts, the company has supported the Coastal Conservation Association in their mission to protect our natural resources.

In addition to supporting CCA, Anheuser-Busch promotes outdoor sports and wildlife conservation in several ways, including a $10 million investment in on-the-ground conservationist initiatives. For the past 17 years, the company had awarded the Conservationist of the Year, along with the National Fish and Wildlife Foundation. “Since 1995, the Budweiser Outdoors program has celebrated and supported the passion, dedication and leadership of conservationists across the country,” said Bob Fishbeck, senior manager for the Budweiser brands. “We all have a responsibility to help protect our natural resources and the work being done by CCA and other wildlife advocates is an inspiration for all of us to follow.”

Throughout the years, the Budweiser Outdoors Program has supported numerous conservation organizations. “Budweiser has become an important supporter of CCA, and we’re proud to be among their many conservationist partners,” said...

Don't forget about the Annual Tomball/Magnolia Banquet to be held at the Tomball VFW. It will be Thursday, June 28th. Please mark your calendars! We're also working out the details for our major fishing tournament for our chapter members. We are in the planning stages right now, but the tentative date is October 13th. We will be having prizes for largest trout, redfish, and flounder. (Prizes could grow with more entries). Entries include a buffet dinner and cash bar. We are also planning on having a raffle, silent auction, and live auction with all the proceeds benefitting CCA. We are still working on the details, so be on the lookout for more information via email and snail mail. If interested in entering or maybe even sponsoring, please contact Gary Brown at 281-533-8191 or gbrown@californiaimpact.com.

Another upcoming event to be on the lookout for is our first ever CCA Joint Chapter fishing tournament. We enjoyed another successful banquet on May 3rd. We would like to thank all of our sponsors including Thomas Instruments, Academy Sports & Outdoors, John Eagle Honda, Jansen International, and Silver Eagle Distributors. We would also like to thank the many exhibitors that came out and displayed their wares to our members. Once again Papagator did an outstanding job on the crawfish. I hope everyone got plenty to eat. I know I tried to put a dent in it.

Through our raffle, silent auction, and live auctions we were able to raise a lot of money to help CCA and its conservation efforts. We also held a general membership meeting where we heard Dr. Greg Stunz from the Harte Institute at Texas A&M in Corpus Christi. Everyone commented on how fascinating his study findings were. We may just have to have him back next year. Be on the lookout for two more general membership meetings later this year. Hopefully everyone has heard about the CCA Concert for Conservation coming up June 30th at the Sam Houston Race Park. Featured artist will be Pat Green, with special guests Jerry Jeff Walker, Sammy Kershaw, and Gene Watson. I look forward to seeing everyone there. I know I wouldn’t miss it.

This will probably be my last Currents update as the West Houston chapter president. It has been an honor serving this chapter. I plan to remain on the board actively serving this great chapter. If you are looking to get involved please contact me or the CCA office. This organization comes together through the hard work of volunteers. As life goes on people come and go from the board and we need your help. There are no requirements, just a willingness to help. As I wrap up my term as president and look at the hard work the board has put in, I am reminded of a quote by Carol Pettee, “Volunteers don’t just do the work – they make it work.” I would like to extend a special thanks to our board members and say, “Thank You,” for letting me be your president these last two years, it has been an honor. I look forward to working with you more in the future. Tight lines everyone.
