### **33. Zoli Pernice 20 ga. O/U Shotgun**

This is your chance to own an heirloom quality dove & quail shotgun that carries and shoots like a dream. The **Zoli Pernice Round Body Boxlock 20 Gauge 30" Barrels** combining Zoli Family Old World Craftsmanship with Cutting Edge Technology. From the fine **Turkish Walnut stock** to the **silver soldered barrels**, this is a functional work of art.

The engraving for the Pernice was born from a collaboration between Zoli and Bottega Incision, the world-renowned engraving studio. Each Pernice action is signed "Bottega Incision" as a mark of authenticity.

The new Zoli Pernice presented unique challenges for the engraving design, as it is the first Boss style action to be truly rounded on all 4 sides in a flowing synchronous form. There are no flat sides.

Bottega Incision creates an exceptional design which enhances the slender, rounded features, giving the hand engravers plenty of time to apply liberal use of the hammer and chisel to enhance color and contrast, with shaded and intertwined leaves.

**Comes w/case & 5 choke tubes.**
