

CCA Greater Woodlands Chapter Online Auction

Dear Valued Contributor,

Our 13th annual Greater Woodlands chapter banquet will be a virtual event this year, due to the impact of COVID-19. While we can't meet in person, we can still come together online to make a difference for the Texas Coastal fisheries we love. Our event will have a silent auction with electronic bidding via an application on your phone or computer. We hope you can join us on September 24th for the online event. We have details listed below on how to sign up and bid on many of the wonderful Silent and Live Auction trips, guns, and merchandise that we normally bring to you annually.

Your donation and support of Greater Woodlands CCA is truly appreciated! Contributors like you, make it possible for us to continue our mission to advise and educate the public on the conservation of marine resources, as well as fund critical habitat restoration and contribute to enforcement work along the coast.
