

# CCA NW Houston Chapter Online Auction

Dear Valued Contributor,

Our 31<sup>st</sup> annual NW Houston chapter banquet will be a virtual event this year, due to the impact COVID-19 is having on Harris County. While we can't meet in person, we can still come together online to make a difference for the Texas Coastal fisheries we love. Our event will have a silent auction with electronic bidding via an application on your phone. We hope you can join us on August 13th for the online event. We will have more details forthcoming concerning how to sign up and bid on many of the wonderful Silent and Live Auction trips, guns, and merchandise that we normally bring to you annually.

Your donation and support of NW Houston CCA is truly appreciated! Contributors like you, make it possible for us to continue our mission to advise and educate the public on the conservation of marine resources, as well as fund critical habitat restoration and contribute to enforcement work along the coast.
