

**43rd Annual
CCA SAN ANTONIO BANQUET
April 28, 2022**

Mark your calendars! The CCA Texas, San Antonio Chapter 43rd Annual banquet is scheduled for Thursday, April 28, 2022 at the Exposition Hall, immediately behind the Joe & Harry Freeman Coliseum. Your support plays a huge part in the success of CCA San Antonio and CCA Texas, now and in the future! And now that we are back on track with a banquet on April 28, your STAR registration, and CCA membership, is included in the cost of you ticket!

This year's banquet is on course to set records! We will again be at the Exposition Hall with the doors open at 5pm. As always, Don Strange of Texas will cater our event with his south Texas cuisine, and as always, we will have an open premium bar. We will have door prizes, small & large raffles, which will include a new boat, motor & trailer, customized UTV, utility trailer and smoker, kayaks & trailer, gun raffles, silent auction, and of course our featured *Live Auction* with trips that span not only Texas and the U.S, but the entire globe!

The San Antonio Chapter of CCA Texas has in the past, and will continue, to pay dividends in future conservation efforts throughout the state of Texas. All money raised in Texas stays in Texas! CCA Texas funds many projects, including these Big 3:

- \$1,600,000 in matching grants towards the opening of Cedar Bayou and Vinson's Slough.
- \$1,000,000 towards oyster restoration in East Galveston bay after the hurricane.
- \$2,000,000 towards eight nearshore reefing projects along the Texas coast

We encourage you to place our event on your calendar now. Please give donations to one of our volunteer committee men and women as soon as possible so recognition of your support may be placed in our program prior to printing. We welcome individual or corporate sponsors for *naming rights*, which will include your name on a banner, full page advertisement in our program, recognition by our M.C., and more. Please contact us now for tables and additional information! The following sponsorships are also available, and your Company will be recognized throughout the banquet in a number of ways:

- | | |
