## CCA Communicators

Illustration by Ben Kocian, 1979

Artists, writers, and broadcasters have made a big impact on CCA's fortunes over the past 49 years.

*Michael Berry, Robby Byers, and Doug Pike, CCA Commuunicators*

## CCA Welcomes Two Prominent Communicators

**Robby Byers:** I am very excited that CCA Texas is going to be a show sponsor with the iHeartMedia Michael Berry Show. I believe Michael's listeners have similar values and interests to CCA, which have made our organization so successful. I am hopeful that this sponsorship will grow over time into a meaningful and successful partnership. Michael's show is the best in the business, and he will bring important awareness and attention about our organization to his listeners.

**Michael Berry:** *"Levi Goode told me that fishermen are good people, and CCA is a great organization."*

*iHeartMedia* is the #1 audio company in the United States, reaching 9 out of 10 Americans every month - a quarter of a billion monthly listeners. It has the largest reach of any other media company in the U.S. The Michael Berry Show is a nationally syndicated talk show, broadcast on dozens of networks. Known as the "Czar of Talk Radio", Berry is not only a popular talk show host, but he was also a

Houston City Councilman and Mayor Pro Tempore. In the Houston market, his show airs on KTRH, Mon-Fri from 8 AM - 11 AM and again from 5 PM - 7 PM. You can find his show anytime on the free iHeartRadio app or [ktrh.iheart.com/featured/michael-berry/](http://ktrh.iheart.com/featured/michael-berry/).

**Doug Pike:** *"I've admired CCA personally and professionally for almost 50 years. No other organization measures so often or so precisely before it cuts."*

**The Doug Pike Show** airs Saturdays from 7 AM-10 AM and Sundays from 8 AM-10 AM on SportsTalk 790 and you can stream the show at [SportsTalk790.iheart.com](http://SportsTalk790.iheart.com) or on the free iHeartRadio app. More than half a million Houstonians fish and hunt, and as many or more enjoy other pastimes in the great outdoors like camping or sailing, backpacking, kayaking or hiking. Doug also hosts Fifty+, which airs at 11 AM Sundays on KPRC and at 4 PM Sundays on KTRH. Fifty + attracts seniors and their adult children.

A few of the communicators who helped build GCCA/CCA from a vision to a national reality.

In the '70's Ben Kocian and Jim Goode shared art space at Fred Carr's big studio in Bellaire. Later, Jim Goode hosted GCCA meetings at Goode Company BBQ on Kirby. Ben Kocian designed the first logos of the GCCA and CCA. Ben and wife Cheri Gossett produced the TIDE Magazine for 35 years.

The CURRENTS newsletter was started by Fred Carr and Corey Rich in 1982. Sam Caldwell has edited the newsletter since.

# Building Upon Success: Oyster License Buyback Efforts Continue in 2026

By CCA Texas Advocacy Director Shane Bonnot

Texas Parks and Wildlife Department (TPWD) is accepting applications for the Oyster Boat License Buyback Program, offering commercial oyster boat license holders a limited opportunity to retire their licenses for a fixed price of \$30,000. The application window runs from March 13 through May 15. For a second consecutive year, privately donated funds are supplementing state resources to support the program and make the flat rate offer possible.

TPWD administers voluntary buyback programs across several inshore fisheries, including shrimp, crab, finfish, and oysters, all of which have operated under license moratoria since 2005 or earlier. These voluntary retirements reduce the number of

active licenses, easing fishing pressure on public reefs and helping to stabilize oyster populations over time. Revenue for buybacks comes from a surcharge on commercial licenses and, increasingly, from private philanthropy that leverages public dollars to increase the incentive for license holders to participate.

Last year's round marked an unprecedented outcome for Texas oyster conservation. Through a \$30,000 flat-rate offer supported by both public funds and private donations, TPWD and partners secured contracts to purchase and retire 112 commercial oyster boat licenses, roughly a 20–21% reduction in the state's oyster license pool. That result followed a shift in TPWD's approach: earlier rounds (2018–2024) used a reverse-bid process that yielded limited participation. After stakeholder feedback, TPWD adopted a straightforward fixed-price offer in 2025, a change that significantly increased interest and participation among license holders, including many with recent landings on public reefs.

The \$30,000 purchase price reflects a true public-private partnership. In the recent model, TPWD provided \$15,000 per license in public funds, matched dollar-for-dollar by private contributions. A \$1 million anchor gift from Coastal Conservation Association Texas (CCA Texas) helped catalyze further donations through the

Texas Parks and Wildlife Foundation (TPWF) and other supporters. The S. Reed Morian Oyster Buyback Program, administered by TPWF, served as the fundraising vehicle that channeled philanthropic resources into the buyback effort. Major donors and supporters include the Reed Morian Foundation, the Brown Foundation, the Earl C. Sams Foundation, Jeffery and Mindy Hildebrand, Beaver and Joanie Aplin, John and Mary Eads, Bobby and Sherri Patton, and many volunteer-led grassroots donors across CCA Texas chapters.

Oyster reefs are foundational to Texas' coastal ecosystems. They create structured habitat used by more than 300 species, stabilize shorelines, buffer wave and storm energy, and improve water quality through filtration. While individual filtration rates vary, oysters are efficient filter feeders that can substantially reduce turbidity and help maintain healthier benthic and marine communities. Restored reefs provide significant ecosystem services — estimates place their annual value from ecosystem functions and recreation far above the direct commercial harvest value per acre from public reefs. Given multiple stresses on Texas oyster habitats — including dredging, severe weather events, drought, floods, and historical overharvest — reducing fishing pressure on public reefs is a key tool in a broader strategy to restore reef health and support sustainable fisheries.

To assist license holders during the application period, TPWD Coastal Fisheries staff will host one virtual and two in-person workshops explaining the application process and answering questions about the Oyster Boat License Buyback Program. The virtual workshop was held on Wednesday, April 1. In-person sessions were held on April 7 at the Texas A&M AgriLife Building at Carbide Park in La Marque (4102 Main St./FM 519) and on April 9 at the Bauer Exhibit Building in Port Lavaca (305 Henry Barber Way).

Oyster license holders seeking more information can email [cfish@tpwd.texas.gov](mailto:cfish@tpwd.texas.gov) or call (512) 389-8575. For direct questions about the Commercial Fishing License Buyback Program, contact TPWD's Coastal Fisheries Commercial Fishing License Buyback Program manager, Zack Thomas, at (512) 389-8448 or [zack.thomas@tpwd.texas.gov](mailto:zack.thomas@tpwd.texas.gov).

Looking ahead, TPWD and partner organizations, including CCA Texas and TPWF, anticipate continuing the buyback approach where funding and legislative support permit. Sustaining the momentum will require ongoing collaboration among state agencies, conservation groups, industry stakeholders and private donors. The recent rounds demonstrate that combining public surcharge revenues with philanthropic contributions can produce measurable conservation outcomes, reducing fishing pressure on public reefs and advancing long-term goals for healthier, more sustainable coastal ecosystems and fisheries.

## CCA Texas Comments on TPDES Permit WQ0000447000 (Dow Hydrocarbons & Union Carbide — Seadrift) and Requests Public Meeting

[CCA Texas has submitted comments on TPDES Permit No. WQ0000447000 and has called for a public meeting.](#) Additionally, CCA Texas submitted letters to Senator Lois W. Kolkhorst (District 18) and Representative J.M. Lozano (District 43), requesting that they also call upon the TCEQ to host a public meeting for this permit.

In early January 2026, Dow and its subsidiary, Union Carbide Corporation, requested to amend its wastewater permit in a [320-page NORI application](#) (Notice of Receipt of Application and Intent to obtain permit). One of the most consequential elements of their permit application is a requested clarification or change to the permit's prohibition on floating solids (pre-production plastics or nurdles). Specifically, Dow asks to "change to the language requiring no discharge of floating solids other than trace amounts. This language does not provide fair notice to DHRL (Dow) and UCC (Union Carbide) of its obligation to control pollutants and is vague. In addition, this language has the potential to be more stringent than necessary to attain the relevant receiving waters standard. Proposed language will be forthcoming."

CCA Texas urges TCEQ to host a public meeting for this permit because the proposed changes could have broader, industry-wide implications and affect how floating solids are addressed in discharge monitoring and compliance. Additionally, the public meeting will provide an opportunity for the applicants and TCEQ to fully explain:

- How the proposed monitoring consolidations and reporting changes will protect water quality,
- The specific intent and practical effect of the requested permit language changes (particularly the floating solids clarification), and
- Any technologies, operational controls, or additional safeguards the facility uses or could implement to prevent accidental releases of floating solids into nearby waterways.

[CCA Texas encourages members to submit comments to TCEQ, requesting a public meeting.](#)

# Partners and Volunteers Unite for 2026 San Antonio Bay Shorelines Cleanup

The Texas Parks and Wildlife 2026 Abandoned Crab Trap Removal Program ran from February 20th - March 1st and successfully removed 658 derelict crab traps from the Texas Mid-Coast Bay systems, including Matagorda, San Antonio, and Aransas Bays. All told, more than 973 derelict Traps were removed from Texas Bays. All thanks to the coordinated efforts of volunteers, partners, and the broader fishing community. This effort is made possible through the unwavering support and dedication of San Antonio Bay Partnership volunteers, valued partners - including the Houston Zoo, Dallas Zoo, San Antonio River Authority, Guadalupe-Blanco River Authority, Audubon Texas, and Texas Parks and Wildlife, with the generous support of San Antonio Bay Partnership's funder, the Matagorda Bay Mitigation Trust. Sponsors include U.S. Fish & Wildlife Service, Coastal Conservation Association of Texas, Texas Parks and Wildlife, Coastal Bend Bays and Estuaries Program, and the Galveston Bay Foundation.

While this year's total represents a notable decrease from 1,040 traps removed in 2025, this reduction reflects continued progress in prevention, education, and stewardship across the region. A total of 154 volunteers and 46 boats participated in the organized removal effort, with additional traps recovered by local fishermen throughout the 10-day closure period. Volunteers focused on comprehensively covering bay shorelines, utilizing standardized mapping protocols to document trap locations and removals, contributing valuable data to improve future response and prevention strategies.

Derelict crab traps continue to pose significant ecological risks through "ghost fishing." During this year's effort, volunteers documented key species that had died in the crab traps, which were 284 blue crabs, 155 stone crabs, 70

*In total, 170 volunteers, 31 boats, and 4 kayaks removed 3.4 tons of trash, filling four roll-off bins. Over 24,051 individual items were documented this year, bringing the 6 year total to 99,435 pieces of marine debris removed from the San Antonio Bay system.*

fish (including redfish and flounder), and 5 diamondback terrapins. Wildlife impacts continue to decrease from last year's 689 blue crabs, 240 stone crabs, 61 fish, and 0 turtles, with fish and diamondback terrapins being the exception. The documented loss of terrapins is of great concern. These findings underscore the ongoing threat that abandoned gear poses to both target and non-target species within these estuarine systems. In addition to traps, volunteers removed a substantial amount of associated marine debris, including 350 loose crab trap floats and 25 buckets and crates.

Abandoned crab traps not only harm marine life but also create navigation hazards and contribute to unsightly marine debris along Texas coastlines. The success of this year's program reflects the dedication of volunteers and partners committed to protecting the ecological integrity and productivity of our Texas bays. The Texas Abandoned Crab Trap Removal Program remains a vital component of ongoing conservation efforts across the Texas coast, demonstrating the power of collaboration between agencies, organizations, and the public.

Community members are encouraged to support future efforts by participating in next year's event, ongoing shoreline cleanups, properly disposing of old fishing gear, and continuing to promote responsible stewardship of coastal resources.

The TPWD Sponsors are U.S. Fish & Wildlife Service, Coastal Conservation Association of Texas, Texas Parks and Wildlife, Coastal Bend Bays and Estuaries Program, and the Galveston Bay Foundation.

## UNDERSTANDING VIBRIO INFECTIONS TO STAY SAFE IN MARINE WATERS

### What Is Vibrio?

*Vibrio* is a group of bacteria naturally found in the bays and coastal waters of Texas. If you've been in saltwater, you've encountered *Vibrio*. *Vibrio* encompasses a number of different species, but when most people hear "*Vibrio*", they think about the rare, but traumatic flesh and limb destruction that it can cause, informally referring to it as "flesh eating bacteria."

### How can you be exposed?

Infection occurs when *Vibrio* enters the body through open wounds, even minor cuts or insect bites. Common activities like swimming, fishing, or handling raw seafood can lead to exposure. Risk of infection is most pronounced when water temperature is at or above about 70°F, although infection can occur year-round. A recent study by researchers at the Harte Research Institute also found that *Vibrio* populations temporarily increase sharply during Saharan Dust deposition events.

### Symptoms of a Vibrio infection

Symptoms of a *Vibrio* infection can develop rapidly, including pain, swelling, redness, and fever. In severe cases, loss of limbs or death can occur within 24–48 hours if left untreated.

### ! What to do if you are infected?

If you suspect a *Vibrio* infection (pain, swelling, fever), seek immediate medical attention. Inform healthcare providers about recent saltwater exposure and potential *Vibrio* infection.

## MINIMIZE VIBRIO RISKS

**Avoid Saltwater with Open Wounds:** Refrain from swimming or wading if you have cuts or abrasions.

**Use Protective Gear:** Wear puncture-resistant gloves when handling seafood and closed-toed shoes in water.

**Wound Care:** Immediately treat any wound that has been exposed to saltwater by flushing and cleaning with warm water and antibacterial cleanser; Chlorhexidine-based products such as Hibiclens® can be purchased at your local pharmacy and provide lasting antibacterial effect. Apply a topical antibacterial ointment and cover the wound with a clean dressing or Band-Aid. Fishermen, bathers, and others should carry, or have immediate access to, small bottles of Hibiclens and antibiotic ointment.

This upcoming 37<sup>th</sup> Year of the LARGEST Saltwater Fishing Tournament in Texas is bringing NEW prizes and excitement! Don't wait to register for our 2026 CCA Texas STAR Tournament because you don't want to miss your chance at the incredible **Early Bird Boat Giveaway** this year. If you register for STAR by May 8<sup>th</sup>, 2026, you'll be entered in the giveaway for a Dargel Kuda 230, 250 HP Mercury Motor, and McClain Trailer package. Our 2025 Early Bird Winner, Beckie Freytag, said it best – "I didn't believe it was true, but it really was! It can happen to you, too!"

And don't forget about our always-popular **Member Bonus Giveaways (two of them!)**. For the first one, our friends at Dargel have provided us with another impressive rig – a Dargel Attacka Flat 203, 150 HP Mercury Motor and McClain Trailer package. To spice up the prizes for 2026, for our second Member Bonus Giveaway, we are showcasing a brand-new giveaway to a lucky registered

angler – a 2026 Ford Super Duty F-250 XLT Crew Cab 4x4 Diesel! Yes, you read that right! Just for registering for the 2026 CCA Texas STAR Tournament, you will be entered in these **TWO** Member Bonus Giveaways with **TWO** winners, one for the Ford Super Duty F-250 and one for the Dargel Attacka Flat 203! And we didn't forget about our Kids and Teens

Anglers. We will be giving away **TWO** Scholarships this year to **TWO** youth anglers just for signing up for the Tournament – a \$25,000 Scholarship provided by our friends at ABC13 Houston, and our \$50,000 Billy Kinney Conservation Scholarship! For just \$10, you can sign up your kid/teen as a CCA Texas Youth Member AND fish the STAR Tournament for FREE!

Last, but definitely not least, we are showcasing a new division this year – Tags of Texas! The first three tags caught and certified as winners in this division will win a top prize of a 22' SVT Tran Sport Boat powered by a 150 HP Mercury Motor and Coastline Trailer package! The next seven registered anglers will win an Academy Sports + Outdoors Gift Card. Any tag caught by a registered angler in this division will also receive a custom prize package provided by one of our amazing STAR sponsors! This division consists of six different tag colors, each color tied to a specific sponsor:

- Blue = Academy Sports + Outdoors**
- Mid Green = Hoffpauir Polaris**
- Grey = Mercury Marine**
- Yellow = Mustang Cat**
- Lime Green = Lone Star Beer**
- Purple = AFTCO**

A HUGE thank you to ALL our sponsors – they are the backbone of this tournament and a big reason we can proudly say we have awarded over \$40,000,000 in prizes and over \$8,700,000 in scholarships to STAR Anglers over the last 36 years!

As we count down the final days til the start of the 2026 STAR Tournament, which begins on May 23<sup>rd</sup> at 6:00 AM, I want to wish all our anglers the best of luck, enjoy every cast, soak in the time spent with family and friends, and **BE SAFE ON THE WATER!** I hope you are the next angler who calls in claiming a winning tag!

Here is a breakdown of the details for this year's 2026 STAR Tournament:

**Texas Ford Dealers Red Tag Division**

The first FIVE eligible winners will take home a 2026 Ford F-150 SuperCrew, a 23' Haynie Amigo, 150 hp Mercury motor, and a Coastline Trailer package. The next FIVE eligible winners will take home a 23' Haynie Amigo, 150hp Mercury motor, and Coastline Trailer packages.

**\*NEW\* Tags of Texas Division**

Every tag is a winner in this exciting new division featuring six color-coded tags, each sponsored by a STAR partner.

- **First 3 tags caught:** Win a 22' SVT Tran Sport Boat, 150hp Mercury motor, and a Coastline trailer package
- **Next 7 tags caught:** Win thousands in Academy Sports + Outdoors gift cards
- **All tags:** Win a special sponsor prize package

**Tag Colors & Sponsors:**

- Blue – Academy Sports + Outdoors
- Mid Green – Hoffpauir Polaris
- Grey – Mercury Marine
- Yellow – Mustang Cat
- Lime Green – Lone Star Beer
- Purple – AFTCO

**INSHORE**

As in previous years, this division includes 3 species – Black Drum, Sheepshead, and Gafftop. The top eligible heaviest fish for each species will take home a 19' Shoalwater boat, 115hp Mercury motor, and McClain

trailer package. The next four heaviest fish of each species will receive an Academy Sports + Outdoors gift card.

**OFFSHORE**

As in previous years, those eligible offshore anglers who bring in the heaviest Ling/Cobia, Dorado, Kingfish, and Red Snapper will take home a Hoffpauir Polaris Ranger Crew 570EFI Pursuit Camo UTV with a Big Tex Trailer. The next four heaviest fish of each species will receive an Academy Sports + Outdoors gift card.

**SCHOLARSHIPS**

STAR now awards \$375,000 each year in scholarships to those young anglers who will be the future stewards of our precious marine resources. Nothing is more rewarding than watching the little ones with their first redfish on the line! Mom and Dad, what better way to spend more time on the water than by bringing the kids along? For \$10 bucks each, they entered in a drawing for a \$25,000

scholarship AND a \$50,000 scholarship, whether they catch something or not!

We've got two divisions: The STAR Kids (ages 6 - 10) and STAR Teens (11-17), both offering two different species of competition: Sheepshead and Gafftop! First place for each species will win a scholarship of \$30,000, then \$20,000, \$15,000, \$7,500, and \$2,500 for subsequent places.

### Guides Division

Calling all Texas Fishing Guides! Texas STAR and CCA Texas want to reward those guides who support marine conservation and empower them to help recruit more anglers into the CCA mission through this division. The winner will take home a Hoffpauir Polaris Ranger Crew 570EFi Pursuit Camo UTV with a Big Tex Trailer. For more details, go to <https://www.startournament.org/>

# Caught Redhanded!

Reports from Texas Parks & Wildlife Game Wardens

On 01/03/26, a Galveston County Warden was on patrol and inspected (2) individuals fishing. Upon inspection, the individuals were found to be in possession of (14) undersized red drum and (2) undersized black drum. Citations issued and cases pending. The next day, another (2) individuals were inspected while fishing and were found to be in possession of (15) undersized red drum, (3) undersized black drum, and (1) undersized flounder. Citations issued and cases pending.

On 03/18/2026, Brazoria County Wardens inspected a recreational fisherman on the Surfside jetties. One individual was found to be in possession of (12) sheepshead. Citations were issued for over the daily bag limit of sheepshead and undersized sheepshead. Cases pending.

On 3/27/26, a Matagorda County Game Warden received a call reporting two individuals with numerous oversized Red Drum at the Matagorda Jetty. The subjects were located and both ticketed. Cases Pending.

On 04/03/26, while patrolling Brazoria County, Wardens contacted individuals oystering in restricted waters near San Luis pass. Cases pending.

On 04/12/26, a Galveston Warden was patrolling the San Luis Pass, Galveston area. An individual was inspected and was found to be fishing with an illegal cast net (22') and also in possession of undersized black drum. Cases pending.

# Putting fingerlings back where fish need to be

Hatcheries were an early priority of CCA. Enhancing populations was crucial, but replacing a large percentage of cold-stricken gamefish proved to be a primary benefit of the hatcheries.

Once again, CCA and TPWD are filling the need to mitigate trout, redfish and flounder mortalities. Take a brief voyage with a CCA /TPWD hatchery as technicians replace trout fingerlings. Here's a link to a recent video that will provide an idea of the process:

# Enjoying Your Digital CURRENTS Newsletter

CCA Texas' financial responsibilities and goals are ongoing. For the time being, publishing the CURRENTS newsletter requires the internet. There are excellent reasons, with cost being primary.

For 36 years, the printed CURRENTS newsletter has provided valuable two-way communication, as well as being an important tool for affecting environmental change. But printing and mailing a full-color newsletter to our statewide membership is time consuming and expensive.

The online CURRENTS newsletter requires no printing nor postage, and delivery is almost instantaneous. An email to members contains a link, with the full newsletter a click away.

Apart from the cost difference, there are many reasons a member can appreciate an internet version of the publication.

- An e-newsletter can be opened in seconds. Articles can be accessed rapidly. Images can be viewed large. Text can be enlarged for easier reading, blocked, copied and shared. Past issues are a click away on the CCA Texas website.
- A favored article can be forwarded to others, readily accessed later instead of having to search through stacks of magazines, and printed for reference.
- Links can be used to connect to advertisers, as well as cross referencing other articles, writers, photographers and artists.

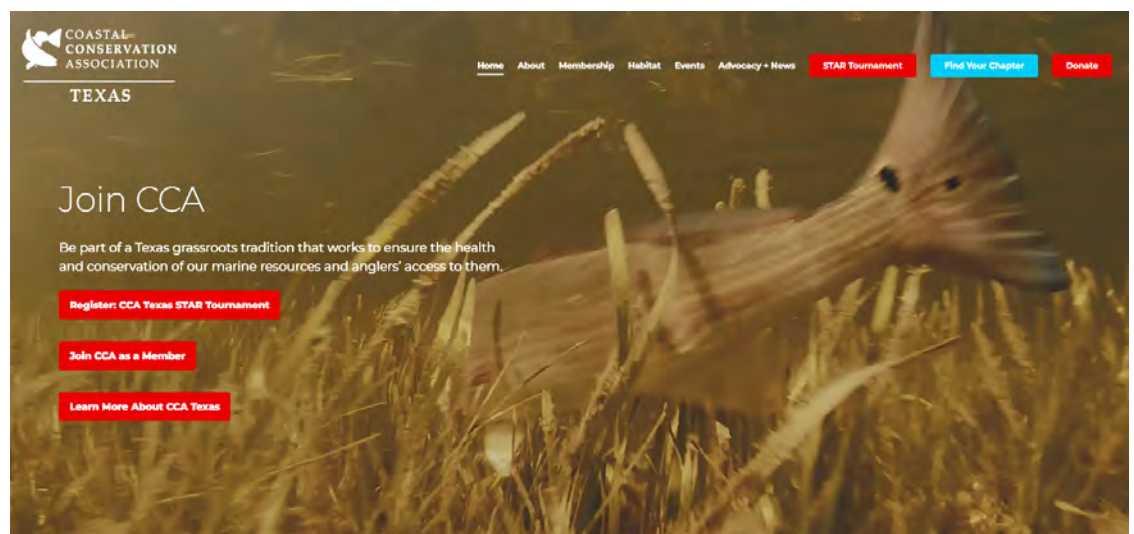

- A link to the CCA Texas website provides comprehensive news and resources. On the website, an array of CCA information is available. View many project-specific videos. Consult the list of CCA-approved guides. Listen to an informative Podcast. [Click here for CURRENTS Newsletters.](#)

*A great way to enjoy indoor time and stay in touch with the outdoors—the CCA Texas website is at your service.*

## Alvin-Pearland Rex Richards

The Alvin Pearland Chapter Board has been busy planning for 2026! We have been lining out our Anglers' Night Out meetings and working hard to get our Fundraising Banquet details finalized!

We have confirmed the dates for our Anglers' Night Out events! Mark your calendars! They will be held on Tuesday, April 7, Tuesday, May 19, Tuesday, September 15, and Tuesday, October 27. The meetings will be held at a Big Horn BBQ in Pearland! The speakers will begin at 7PM. Come earlier if you want to visit, hang out, and grab a bite to eat. If you would like to speak at one of our events, reach out and we can get you plugged in!

The speaker for April is going to be Larry Higgins, the owner of KWigglers Lure Company. The May speaker is going to be Capt. Gary Cooper from Reel Addicted Fishing in Galveston Bay.

**Our 2026 Annual CCA Alvin/Pearland Banquet and Fundraiser is scheduled for Thursday, June 18, 2026 and will be held at the Knights of Columbus Hall in Pearland.**

We will be serving a delicious dinner, having a Sportsman's Raffle that will include guns, coolers, and rod/reel packages. We will also have live and silent auctions, as well as numerous other raffles. This is an event you won't want to miss. Reserve your spot now!

Banquet tickets are \$75/person, \$120/couple and \$20/kids. Reserved/Sponsor Tables start at \$750 for 8 guests. All adult tickets include a CCA Membership. Sportsman's Raffle Tickets are \$20 each or

6 for \$100. If you would like to purchase banquet tickets, reserve a table for your group or company, or make a donation to our event, please contact Garrett Boehnemann at 713.626.4222, email us at [AlvinPearlandCCA@yahoo.com](mailto:AlvinPearlandCCA@yahoo.com), or use this link: <https://ccatexas.org/find-your-chapter/alvin-pearland/#banquet>.

**Bill Burge 713-828-3823**  
**bill\_burge@yahoo.com**

What an incredible night for conservation on the Texas coast. Our CCA Aransas Bay Chapter Banquet was officially SOLD OUT, and we couldn't be more grateful for the overwhelming support from this community. From longtime members to first-time attendees, the energy in the room was a true reflection of what makes this chapter so special, people who care deeply about our coastal resources and the future of our fisheries.

Because of you, we are able to continue funding meaningful conservation efforts right here in our backyard, from habitat restoration and fisheries enhancement to youth outreach and education. This is what it's all about.

A sincere thank you to our generous sponsors who help make it all possible. Our major event sponsors include: Salemi's Ace Hardware, Silsbee Ford / Lakeside Chevrolet, Rockport Tackle Town, Big Tree Realty, Rockport Shelley Team – Guild Mortgage, and so many others who continue to step up for conservation year after year. Your support does not go unnoticed.

We also want to recognize our incredible volunteers. This chapter runs on the dedication of people who give their time not just for events like the banquet, but all year long—working behind the scenes, showing up early, staying late, and doing whatever it takes to move the mission forward. We are truly thankful for each and every one of you.

Wow....summer is here, time to wet a line. Our chapter had a fantastic 34th Annual Banquet and Fundraiser. We really appreciate everyone...our forty-seven sponsors, program advertisers, those who donated live and silent auction items: Burdett & Son Outdoor Adventure Shop, C & J Barbeque for catering, Cocktails4U, our banquet committee, and finally our new assistant director, Drake Grigar. And all those who attended. It truly takes a village, thank you!

The funds raised help ensure coastal water resources for our kids, grandkids and great grandkids to enjoy. Look out for upcoming news for the 2027 banquet date. In the meantime, our next monthly chapter meeting is April 14, 2026. Scott Sig will send out an email with the time and place. Help brighten someone's day and take them fishing.

Can you smell it, it's in the air, the smell of a good ole fashioned FUNdraiser in the aroma of boiled crawfish, fried catfish, open bar and a guaranteed good time while doing our part to contribute to the Mission Statement of CCA Texas. All of this and more will take place at the **CCA Greater Sugar Land Chapter Annual Banquet to be held at the Stafford Centre on Thursday, April 9, 2026.**

You don't want to miss this banquet with our friends from Cajun Country Cookers who always prepare a great meal for us with boiled crawfish, fried catfish and all the fixings. Grab seven of your friends or coworkers and get a table while they last, just click here: <https://ticketstripe.com/2026SugarLandCCA>.

Requests are coming in from our Community Partners to help them host their Kid Fish Events in 2026. We try to accommodate as many as we can, however we need your help in volunteering. Once you see a youngster catch their first fish and their big Ole Texas smile you will be glad you volunteered.

Our Chapter team for is excited about the Inter Chapter Challenge taking place this year on June 12-13, 2026 at the Fulton Event Center. We look forward to meeting members of the other chapters and enjoying the friendly competition and comradery.

If you would like to get involved with the Greater Sugar Land CCA Chapter, feel free to contact myself at [greatersugarlandcca@gmail.com](mailto:greatersugarlandcca@gmail.com) or better yet attend one

of our board meetings that take place at a new location El Fogon Mexican Kitchen, 4514 Highway 6 in Sugar Land. We meet at 6:30 p.m. for social time and the meeting starts at 7:00 p.m. The 2026 board meeting schedule is Tuesday, April 14, May, June, July, August - no Board Meetings, Tuesday September 8, Tuesday October 13, Tuesday November 10, December 2026 – no board meeting.

Until next time, get out on the water and enjoy good times & tight lines.

**jrayburg@sbcglobal.net**

Howdy CCA Helotes Chapter Members, we had an incredible banquet on March 19 at Pedrotti's Ranch. The venue has been through some upgrades recently and looks amazing. Thanks to Anthony and Louie Pedrotti and their fantastic staff for hosting our event. The attendees enjoyed the food and hospitality so much we had more than our regular share of compliments. I'd also like to thank our Mayor Rich Whitehead providing us with the invocation,

Mrs. Brittney Clay for another wonderful rendition of our National Anthem, and the Harlan High School AF JROTC for posting the colors.

Our sponsors, in no particular order, have been supporting us for quite some time but still deserve recognition. A big THANK YOU to Academy Sport + Outdoors, Premier Boating Centers, Ron Hoover RV and Marine, Frost Bank, Texas Lawman Security and Traffic Control Services, Burnin' Bush, Burkholder AC & Heating LLC, Tietze Plumbing Heating and Air, Alamo Family Practice, Gun Shack, DeWinne Equipment, Pedrotti's Ranch, and Crawford Electric.

Of course, we couldn't do it without our volunteers and banquet committee. Nathan and Karen Lutz, John and Karen Botter, Judy and Pat Mitchell, Mark Schofield, Mike and Amy Mullholland, Tysan and Shandlyn Gaenzel, Don and Nancy Castro, Ferdinand and Martha Gaenzel, Matt, Melanie, and Kaleb Murray, Sam Santos, Lisa Sanchez, Angie and Madelyn Rayburg, and Jerry Nunneley. Also, a special thanks to our Assistant Director Blake Burnside and his team for putting the hard pieces together.

Lastly, I want to personally thank all of those that attended in person or virtually through our silent auction. Without your support CCA Texas would not be able to fund all of the habitat projects and other conservation efforts. You do make a difference.

If you have any interest in joining our chapter banquet committee, please feel free to reach out any of our members. We'd welcome all who are interested.

**Mark your calendars for the Highland Lakes Chapter Banquet - April 16, 2026 at the Lakeside Pavilion, Marble Falls in the beautiful Hill Country!**

If you had told us a few years ago that we'd all be working together to build a thriving CCA chapter in the middle of the Hill Country — four hours from the Gulf — we probably would've laughed. Yet here we are, preparing for our third annual banquet on April 16 at the Marble Falls

Lakeside Pavilion.

What started as a simple idea has quickly turned into something special. The Highland Lakes community has embraced CCA's mission, recognizing that conservation doesn't begin at the coastline—it starts upstream. The health of our area's lakes, rivers, and watersheds directly impacts the bays and estuaries we all care about, and that connection has resonated in a big way.

The result has been tremendous support and growing momentum each year, and this year's banquet is shaping up to be our best yet. We invite you to join us for a great evening of fellowship, outstanding BBQ from one of the Hill Country's renowned pitmasters, and a celebration of the work CCA continues to lead across Texas.

On Saturday, March 27, 2026, a "shootout" took place at Rusty Hook Ranch. Only clay targets were harmed. The 2<sup>nd</sup> Annual Hooked on Clays Tournament, hosted by the

Lower Colorado: Above: Female HOA - Ashley Anderson,  
Below: Male HOA - Cowboy Hunter Marks

1st Place: Team Comfort Air & Heat - Chase Abel, James Warfield, Michael Warfield, Mark Cook

Lower Colorado CCA Chapter, was a tremendous success. Participants enjoyed excellent weather, strong competition, and true sportsmanship throughout the day.

A sincere thank you goes to Rusty Hook Ranch for the use of their outstanding shooting facility.

We also extend our appreciation to our generous corporate sponsors:

Texas Plate Fabrications, Busha Boat Works, Full Stringer Realty, Anthony's Auto Werx, Comfort Air & Heat, Keen Services, C4 Construction, Keystone Roofing, Seifert Welding, Mannas Precast Concrete, Vallarta's Mexican Grill, David and Connie Cobb, South Texas Farm & Auto Supply, El Campo Cycle Center, Elite Pressure Washing, Ace Waste Solutions, Briley Manufacturing, Brazosport Motor Sports, and KIOX-KKHA Radio. Participants competed for impressive prizes, including over/under shotguns and custom belt buckles.

High Overall (HOA) Winners: Female HOA: Ashley Anderson (Full Stringer Realty Team) – Score: 87. Male HOA: Cowboy Hunter Marks (Anthony's Auto Werx Team) – Score: 93. Overall winners earned the honor of wearing impressive Belt Buckle Bling. Junior Division Winners: 1st Place: Team Brazoswood FFA - Kaydence Keleman, Noah Austin, Cowboy Hunter Marks, Ari Perkins. 2nd Place: Full Stringer Realty Team - Jeff Davis, Ashley Anderson, Matthew Perez, Shaytee Fajkus. 3rd Place: Team Derouen/Tomlinson/Nicar - Stockton Derouen, Lane Tomlinson, Fisher Nicar.

Adult Division Winners: 1st Place: Team Comfort Air & Heat - Chase Abel, James Warfield, Michael Warfield, Mark Cook. 2nd Place: Team Brown & Company - Mike Brown, Mary Henrickson, McCoy Barnett, Mike Funk. 3rd Place: Team Anthony's Auto Werx - Anthony Kimmey, Caleb Kimmey, Clint Hewitt, Cowboy Hunter Marks. The event was such a success that plans are already underway for next year's tournament—watch for details in 2027.

Additionally, keep an eye out for an upcoming Kids Fish event in Matagorda County, and be sure to mark your calendars for the **Annual CCA Lower Colorado Chapter Banquet and Auction, scheduled for Friday, August 7**. It is always a fun and well-attended event.

Stay tuned for more updates from the Lower Colorado Chapter, proudly serving all of Matagorda County and its bays, rivers, and creeks.

Oftentimes, when I'm on the water, I reflect and thank the big guy above for the beauty he has blessed us with. Yes, I'm grateful for fishing, but the view is even better than that! Recently I was given the opportunity to stay overnight on the water in a very primitive floating cabin. So, I got to see the bay from dusk to dawn. In just that short period of time, I learned so much about the coastal environment and how it moves through time. It gave me a whole new appreciation for our coastal waters and what needs to be done to preserve and maintain marine life. Yes, we fished...but the experience itself left me full and happy! Thank you, Greg Samuels, for inviting us to your secret, sacred spot!

On Friday, February 6, we held our sold-out annual banquet, drawing a full house of conservation-minded anglers, families, and community leaders for an unprecedented night of fundraising for conservation efforts. This year, Christi Romero was recognized as the 2026 CCA Rio Grande Valley Conservationist of the Year (see pic for writeup). Congratulations to Jorge Salinas, the fortunate winner of the grand prize, a Can-Am Defender

2026 CCA Rio Grande Valley Conservationist of the Year

This year's CCA RGV Conservationist of the Year, Christi Lynn Romero, is truly a deserving recipient of this honor. Her tireless commitment to ensuring the health and conservation of our marine resources and anglers' access to them, the vision of CCA, has made a positive impact on our South Texas Coast.

As the owner of The Sportsman Boats in San Benito, Christi understands the importance of giving back to the resource, graciously donating over \$10,000 a year for conservation efforts.

While Christi's profession connects her directly to our marine community, it's her passion for fishing, boating, and the coastal life that fuels her passion to help preserve the beautiful South Texas Coast that we all cherish.

As a member of CCA Texas for over 15 years, Christi has committed herself to critical local projects such as the Port Mansfield Beach Clean Up, an event in which she is a key organizer. Her efforts include bringing together a group of over 20 boat captains to shuttle hundreds of volunteers from the

Port Mansfield Event Center to the East Cut and PINS National Shoreline. These captains and volunteers collect thousands of pounds of trash, including plastic, metal, ropes, nets, and they've even recovered some contraband. We're all very thankful this trash has been removed from our coastline. Founders of the event, Miller & Cathy Bassler, have repeatedly said that her impact on the event has been immeasurable.

It doesn't stop there. Christi also understands the importance of community and bringing people together to enjoy our marine resources. A few years ago, she joined with others to help create an event called "Ladies in Wading", where a group of women get together for a day of wade fishing, fun, and friendship.

Beyond that, you can also find Christi involved in other local efforts that improve our South Texas community off the water as well.

We cannot thank Christi enough for her unwavering support of CCA Texas and everything she does to conserve our South Texas marine resources. We can, however, recognize her for these efforts as our CCA RGV Conservationist of the Year.

Additionally, we would like to congratulate Dr. Justin Cerelli, the winner of the Liberty Gun Safe Poker Chip game, a crowd favorite, generously donated and sponsored by Guthrie's Safe and Lock Shop.

This year, our board members sported one of the most unique, custom-made, personalized Guayavera shirts designed and provided by Tulip Alley (AKA The Guayavera People) and sponsored by Lone Star National Bank. We thank Tulip Alley for making our board members

look sharp at our banquet.

We would also like to express our deepest appreciation to our valued sponsors who contributed to our banquet items: L&F Distributors (Multi-Year Exclusive Title Advertiser), L&G Concrete (Raffle Girls), Payne Auto Group (Hats), Tulip Alley (Guayavera Shirts Provider and Louis Vuitton Poker Chip Game), F&T Valley Motor Sports (Can-Am provider), Mid Valley Trailers Sales (Trailer provider), Ron Hoover RV & Marine (Bar and Taco Truck), Luby's of McAllen and Pharr (Food Catering), Big Tree Oyster Company (Farm Raised Oysters Provider), Clark Chevrolet and Clark – Knapp Honda (Tervis Style Tumblers), Sames McAllen Ford and Lincoln (Turtlebox), Purpose Built Optics Sunglasses (Sunglass provider), South Texas Sinus Institute (Sunglass Straps), Tow Boats US Arroyo / Port Isabel / Port Mansfield (Key Chains & Key Chain Game), Hess Air (Koozies), Four Paws Animal Hospital (Towels), Lone Star National Bank (Board Member Shirts & Bucket Raffle), Mansfield Knockers and KWigglers (Casting Game), Pathfinder Public Affairs (Goodie Bags), Chorizo De San Manuel (Yeti Mugs), Guthrie's Safe and Lock Shop (Liberty Gun Safe Provider and Poker Chip Game), Rental World (Silent Auction), Frost Bank (Taco Truck) and Turtlebox (Ranger provider).

Our efforts to raise awareness about the critical need for conservation and habitat restoration on the Texas coast are largely driven by the support of our sponsors, attendees, donors, and volunteers. We would like to thank our attendees for their support. We also appreciate the significant contributions and commitment of our chapter board members and volunteers.

Get ready, San Antonio! We've been hard at work planning an unforgettable **47th Annual CCA San Antonio Banquet, happening Thursday April 30, 2026**—and we need your help to make it the best one yet! Want to be part of the action? Join us for our volunteer meetings at Walk-On's Sports Bistreaux (1400 Pantheon Way, San Antonio, TX 78232) at 6:00pm. Call me for dates!

This is your chance to get involved, meet great people, and help put together an incredible event. Plus, Don Strange Catering will be serving up their legendary food and drinks at the banquets, so you know it's going to be a night to remember!

Some of the raffles that we will have: 23' Haynie Boat with a 150 HP motor with trailer, CanAm by Coyote Powersports outfitted by Ranch Armor, gun safe with a gun and hunting trip, pair of E-Bikes, 10 long guns and 10 handguns and various other raffles.

We will also have a live auction with some really awesome trips, guns and a golf cart! There will be a silent auction with rare items not normally found along with a small raffle.

A standing ovation for our incredible sponsors! We couldn't do it without the generosity and support of these amazing sponsors who help make our 47th Annual CCA San Antonio Banquet a reality! A huge THANK YOU to: James Avery Artisan Jewelry, Frost Bank, Scott A. Freund Memorial Foundation, IBC Bank, Shiner Beers, Broadway Bank, Coyote Powersports in Boerne, Dury's Gun Shop, Ranch Armor, Don Strange of Texas, Blue Star Trailer Supply, Crossroad Bikes, Max'd Alt, Tito's Handmade Vodka, Bobcat of San Antonio, Sam Caldwell and Mission Golf Cars and a few more coming! Your support fuels our mission and makes this event truly unforgettable! We appreciate each and every one of you!

If you've never been to a CCA San Antonio banquet, this is the year to change that! Ready to volunteer or need more info? Reach out to our Banquet Chairs:

Spring is here, and the CCA San Gabriel Chapter is soaking it up with some well-deserved time on the Texas Coast—chasing reds, trout, and everything in between while keeping our conservation focus sharp right here in Georgetown.

A friendly heads-up for everyone: our **24th Annual Banquet is set for Thursday, August 6, 2026, in Georgetown, TX**. The planning committee is already deep into the details to deliver another unforgettable night packed with great food, bigger prizes, and real impact for our coastal fisheries and habitats. You definitely won't want to miss it—watch for ticket and sponsorship info coming soon.

Our first Anglers' Night Out of 2026 is locked in for May. Exact date, time, location, and speaker will be posted shortly on the [CCA San Gabriel Facebook page](#), so give us a follow and stay in the loop. We're also gearing up to cheer on our fellow chapters by hitting several of their banquets in the next couple of months. Nothing beats seeing the statewide network in action and sharing ideas for conservation wins.

If you've got a few hours to spare, we'd love your help! Whether it's joining the banquet planning team or pitching in on event day, every volunteer makes our work stronger. Just reach out on [Facebook](#) or to any board member. Tight lines, and here's to a great spring on the water!

## June 13 and 14, 2026 — 17th Annual Port Mansfield East Cut and Beach Cleanup

An enjoyable weekend with your best friends, refreshing a beautiful part of Texas. Food and fun as well as boat rides and work in the sun. For complete information on lodging and events, Email Kathie Bassler: [Kathieb@basslerenergyservices.com](mailto:Kathieb@basslerenergyservices.com) Sponsorship opportunities are available.

# Shrimp and Crab Cornbread

1/2 Cup cooked chopped Shrimp / 1/2 Cup crab meat  
1 Cup cornmeal / 1/2 Cup Flour / 2 tsp baking powder  
1/2 tsp salt / 2 tbsp brown sugar / 1 egg  
2/3 Cup buttermilk / 1/4 Cup diced onion  
1/2 rib of celery, diced / 1/2 Cup canned corn (or small can)  
1/3 Cup chopped Cry Babies Jalapenos / 1/2 Cup cottage cheese  
1/2 Cup pepper jack cheese / 1 tsp cajun seasoning

Preheat oven to 425. Grease a 9x9 pan.  
Combine dry ingredients. Add egg and buttermilk, mix well. Add remaining ingredients, stirring until just mixed. Add to pan and bake for 25 to 30 min.

Serve with lots of butter!

# Have a special friend who deserves a special gift?

Consider a classic Caldwell painting—or two. Included will be Caldwell's award winning novel, *The Trip*.

An issue of high quality Gclee prints is now available—with individual remarques by Texas State artist Sam Caldwell.

For good measure, Caldwell will include a **First edition *The Trip* novel**— also remarked.

## Surf Silver

A young fisherman is hoping for a trophy speckled trout. Instead, he's connected to a reel-stripping megalops atlanticus. A tarpon sketch is the remarque.

## Ancient Traditions

A young bowman makes a connection in time to a previous hunter. A 10,000 year- old fluted Clovis point? An Alibates flint knife from only 500 years?

S/N print 1 of the editions is available for your friend, with Caldwell's original sketch remarque an individual note.

**High Quality archival paper,  
12" x 18"  
\$350 each, or \$600 for both.**

**The Trip: Seven outdoorsmen** journey to the hunting of South Texas and the fabled fishing of Mexican beaches. You'll find yourself in this group. Choose carefully— only six return.

*Get a personalized First Edition copy of *The Trip*- or two when you purchase both paintings.*
